

Welcome to Kindergarten!

For the summer reading assignment, I am asking you to read the story Sticks to your son or daughter. It is written and illustrated by Diane Alber. You can find the story on YouTube as a read aloud.

On the following page the children will draw and color their favorite part of the story. Parents can help their children write about his/her picture. I hope you enjoy this story as much as I do. We will be doing some fun activities with this story during the first few days of school.

I am looking forward to an exciting year in kindergarten! I hope you have a wonderful summer!

After you read the story, draw a picture of your favorite part. Mom or Dad can help you write a sentence that tells about your picture.
