

## Home & School Association Family Activity Fee

Each year the NCCE Home & School Association collects a **\$45 family activity fee** that allows us to financially support the work we do and the activities and events we support for the school. Some highlights of Home & School's financial support include:

- Building needs (most recently, new cafeteria tables and updates to the bathrooms)
- Classroom supplies for teachers
- Teacher Appreciation, including monthly treats and luncheons
- New books for the library & classrooms, library activities, and book club for the middle school
- Hospitality at back to school time as well welcoming new families
- Social Activities including back to school open house, family dance, and middle school dances
- Discovery Day
- Classroom party expenses
- 8th grade celebration, 8th grade scholarships, and Washington D.C. scholarships
- Donation to the Sisters of Bernardine Mission

Throughout the year we also like to provide opportunities for families to support charitable work in our community such as the Thanksgiving canned food drive and adopt-a-family at Christmas.

As always, some grades will continue to hold fundraisers to pay for their grade specific trips such as the 8th grade D.C. trip or 5th grade Hartley trip. HSA will continue to support these efforts as we have in the past.

In these uncertain times, We are thankful for the help and contributions you are able to provide. We understand that there are many upfront costs when returning back to school. Please email us if you would like to talk about the family fee or contact us if you have any questions or concerns at [NCCEhomeandschool@gmail.com](mailto:NCCEhomeandschool@gmail.com).
