Secondary Teacher Science

Nouvel Catholic Central Schools is seeking a Secondary Science teacher for the 2022-2023 school year. Candidates should be highly motivated and enthusiastic about educating young people. A successful applicant should be an engaging instructor, skilled communicator, compassionate individual, and preferably a practicing Catholic. Any applicant must be certified by the State of Michigan to teach grades 7-12.

Interested applicants should submit the following materials:

- Letter of Introduction explaining your interest and qualifications
- Current Resume
- Names, email addresses, and phone numbers of two to three references and/or two letters of reference
- Complete the Diocese of Saginaw Application for Employment

Submit documents via:

Email to: Daniel Decuf, Head of Schools Nouvel Catholic Central ddecuf@nouvelcatholic.org (List Secondary Science teacher) in the subject line.
