COUNSELING UPDATE

NOUVEL CATHOLIC CENTRAL HIGH SCHOOL

MONTH IN REVIEW:

Throughout September, I met with all of our seniors to pick up where we left off in the spring with college applications. We talked about essays, the application process, a senior timeline, and so much more. Next, I will be working with 9th graders on Learning Style Assessments, an introductory career assessment, and some technology tips for success in high school. After this is completed, I will be working with 7th, 8th, and 10th graders as well! If you have a topic you think would be helpful for junior high or high school students, please reach out. This year, we will touch on social media safety, career exploration, social emotional learning, and so much more!
