- White Orthodontics is excited to have the opportunity to promote an event that we believe brings value to the families in our community! In addition to providing custom sports mouthguards, we're hosting a 12U ball hockey tournament and specialty vendors at a Rebel Co. affiliated outdoor market. Families can enjoy Snowball Shaved Ice, food trucks, and appearances by the Saginaw Spirit mascots and some Spirit hockey players! DJ Casey Rusch will also be on site keeping the ball hockey tournament (and the energy) on track. White Ortho works to build confidence and community, and this event promotes safety in youth sports programs in collaboration with other local small businesses to build a stronger community.
- Saginaw Valley State will be hosting Camp Invention, which is a one-week invention camp for kids going into grades K-6. The camp will be held on campus the week of August 4-8 later this summer. Flyers went home last week.
