

June 2025

Dear Parents and Incoming Freshmen,

Welcome to Nouvel Catholic Central High School.

We require all students to earn 100 hours of community service before graduation. In order to help students stay on track, we require at least 25 hours be completed each calendar school year. Students are responsible for seeking and completing service hours on their own time. Throughout the year, I will advertise to the entire student body many specific opportunities for service as they become available.

Great News! Summer is a wonderful time to get some service hours completed before the rush of the school year hits. Any service completed after 8th grade graduation counts toward the service requirement for the 2025-2026 school year.

IMPORTANT High School Requirements:

-All service must be done for non-profit (charitable) organizations, NOT for “for-profit” businesses, even if there is no payment given for the service.

-Parents may NOT be listed on Service Cards as the contact person without prior approval from Mrs. Jacqmain.

-Unpaid service for private citizens, neighbors, and family friends is our Christian obligation but does NOT count toward the community service requirement at Nouvel Catholic Central High School.

-If you are unsure whether an activity will count for the service requirement or not, please contact Mrs. Jacqmain first and ask her before submitting a card.

-All students must complete a minimum of 20 hours for each kind of service indicated on the service card (Community, Church/Parish, and School) before graduation.

-Any service completed at or affiliated with a Parish or Church event (does not have to be a Catholic Church) counts for the Church/Parish category.

-Any service completed at or affiliated with Nouvel Elementary/MS/HS or any other school will count for the School category.

-Any non-profit service completed at a charitable organization outside of the Church or School environment will count toward the Community category.

-The category requirement accounts for 20 Parish + 20 School + 20 Community = 60 of the total 100 hours required. The remaining 40 hours can be earned in any category or combination of categories the student chooses.

Please Subscribe to our free service opportunity notification system!

Simply text the message: @nccserve to the phone number 81010 using your cell phone or send a blank email to: nccserve@mail.remind.com to enroll. Or simply click here:

Please use this link to submit cards digitally:

Digital Service Card 2025-2026:

<https://forms.gle/H3Lz7WrUwMQU47Ao7>

*Hard Copy/Physical service cards will no longer be accepted.

Feel free to email Mrs.Jacqmain here: bjacqmain@nouvelcatholic.org if you have any questions over the summer. Have a wonderful summer filled with service and I look forward to seeing all of you this coming fall.

Christ's blessings,

Bridget Jacqmain, NCCHS Campus Minister
