Reminder News:

-- Beyond the Bell information can be found here: www.nouvelcatholic.org/afterschool

This program will start on September 2. Please be sure to register your child if you plan on taking advantage of this opportunity. This is not to be used as just a drop in.

– We are looking for students at the junior high and high school level to become Chief Science Officers, or CSOs. CSOs will implement their own STEM action plans to bring more awareness to STEM topics in their school or community. They will also have the opportunity to learn more about various STEM careers and network with STEM professionals. If any student is interested in this wonderful leadership opportunity, please see Mrs. Martin in room 208 by Thursday, September 4th.

– Annual forms are now available for your completion! All Student Information Verifications and Annual Forms are due no later than Thursday, September 4.

All required forms are available within your Family Access Skyward account, which can be accessed here: [Nouvel Catholic Central Schools - Skyward Access](#). We have also put together a brief tutorial for you here: [Skyward Annual Form Tutorial](#). It is imperative to complete the Student Information Verification section prior to completing the forms as this will auto-update and ensure your forms have the most accurate information. Additionally, please be sure to click “Complete Step _ and Continue to Next” at the end of each page. You will see a green check mark next to a form if it is completed. At the end, you will have to click a “Submit” button and will receive a confirmation screen. Although there are some family forms that you will only complete once, there are several that must be completed for each child enrolled at Nouvel.
