

Home and School Association Room Parent Form

Hello Panther Families!

We are looking for family members who are interested in serving as Classroom Parents for the upcoming school year. Classroom Parents play an important role in supporting teachers, helping coordinate classroom celebrations, and creating positive experiences for our students.

Being a Classroom Parent is a great way to stay involved in your child's classroom, connect with other families, and support our teachers throughout the year.

Classroom Parent Responsibilities

- Communicate and collaborate with the other Classroom Parents assigned to your child's homeroom.
- Introduce yourself to the teacher and establish a preferred method of communication.
- Assist with planning and coordinating classroom parties and activities throughout the school year.
- Work with the teacher to determine classroom needs and volunteer opportunities.
- Help organize volunteers and supplies when needed.

Classroom Parent Budget

Each homeroom receives a yearly budget of **\$100** to support classroom activities and parties. Reimbursement forms are available through the Home & School Association and can be submitted according to school procedures.

Interested in Volunteering? Please complete the information below and return this form to your child's teacher.

We will be holding a **Home & School meeting Monday September, 21st at 3:30pm under the pavilion**, we ask all volunteers and room parents to please attend.
