### Notify the Parish of Seriously Ill Family Member

If a family member has been admitted to the hospital or is ill at home, please let us know by contacting the Parish Office.

**VANCO** Some parishioners are under the impression that when they sign up for Online Giving they are required to contribute to all of the second collections. This is not the case. When you establish an account, you specify how much to give and how frequently (weekly, bi-weekly, monthly, etc.), but it only pertains to the regular collection. To contribute to a second collection, you need to open your account and specify the second collection and the amount you wish to contribute. The advantages of Online Giving are that you don't have to remember to write a check and submit it in the collection and it helps you budget your contributions. When you're away from the parish on vacation you don't have to worry about making up your contributions. It's a win-win situation for you and for the parish. Hopefully more of you will come to realize the advantages and sign up for Online Giving. To register, simply click on the online giving button on our website's homepage.

"How beautiful is the Mass, especially when celebrated in a cathedral filled like ours on Sundays, or even when celebrated simply in village chapels with people full of faith, who know that Christ, the King of Glory, Eternal Priest, is gathering together all that we bring him from the week: sorrows, failures, hopes, plans, joys, sadness, pain! How many things each one of you, brothers and sisters, brings to your Sunday Mass!"
