VANCO Some parishioners are under the impression that when they sign up for Online Giving they are required to contribute to all of the second collections. This is not the case. When you establish an account, you specify how much to give and how frequently (weekly, bi-weekly, monthly, etc.), but it only pertains to the regular collection. To contribute to a second collection, you need to open your account and specify the second collection and the amount you wish to contribute. The advantages of Online Giving are that you don't have to remember to write a check and submit it in the collection and it helps you budget your contributions. When you're away from the parish on vacation you don't have to worry about making up your contributions. It's a win-win situation for you and for the parish. Hopefully more of you will come to realize the advantages and sign up for Online Giving. To register, simply click on the online giving button on our website's homepage.

A New Heart For Our Mission

SANTIDAD Y SERVICIO

Here's the logo/theme for our Diocese's Strategic Pastoral Planning. Beginning next week, all of us will hear from Bishop David P. Talley and other Diocese leaders in meetings, letters, videos and more about the Planning. In this act of stewardship, our Diocese will be asking three questions: 1. How are we living and serving the Lord as the Diocese of Memphis today (our successes, challenges and opportunities)? 2. Knowing the state of our Diocese in 2023, to prayerfully discern, through lots of listening sessions… what is the Lord asking of us going forward on mission? 3. Once we have discerned the Lord's will together for the Church of West Tennessee, how do we go about following the will of God? What steps will we take in the here and now as faithful missionary disciples? Let's pray for our Bishop as he leads all of us to be part of this renewal. A New Heart For Our Mission: Santidad Y Servico (Sanctity and Service)!

The Diocesan Strategic Planning meeting in our deanery at I.C. in Union City at 7:00 PM on May 31st. We will be talking about the direction of our diocese going forward. All interested parishioners are encouraged to attend. Jim Marconi from the Diocese will be hosting the event and a representatives of the Strategic Planning firm will be leading the discussion.

The second phase will foster Eucharistic devotion at the parish level, strengthening our liturgical life through faithful celebration of the Mass, Eucharistic Adoration, missions, resources, preaching, and organic movements of the Holy Spirit.
