BUY GIFT CARDS FROM ST. MARY

You need groceries from Woodman's, so you purchase a \$100 gift card for Woodman's from St. Mary. You pay St. Mary \$100, and the card is worth \$100 at Woodman's.

EARN REBATES

Woodman's sold St. Mary the card for \$95, which means there is \$5.00 left to share. St. Mary gives you 60%, or \$3.00, in the form of a rebate.

LOWER YOUR TUITION

The \$3.00 rebate goes into your account, along with all of the other rebates you earn. If you are on a monthly payment plan, the total rebates earned from June 1 to December 31 will decrease the monthly payment starting in February. If you are on a pay-in-full plan, the rebates will decrease next year's tuition.

Rebates earned starting January 1 will decrease next year's tuition.
