## Message From Mr. Brown

Hello Wildcats!

I am sure many of you remember where you were on September 11, 2001. I was teaching in room 222 at Menasha High School when a fellow teacher came into my room and announced "America is under attack!" However, many of you reading this may not have even been born before September 11, 2001 and I am sure have trouble wrapping your head around this date in history. I know for a fact none of our students were alive in 2001.

In remembrance of this day, we will have a moment of silence during the morning on Thursday September 11th. We will also celebrate Patriot Day with allowing students to wear a red, white or blue top with dress code bottoms. Classroom teachers will discuss 9/11 in ways that fit into their classroom routine

## Hwy 76 Construction Updates

The work zone will be open to local traffic. Busses, residents of STH 76 and St. Mary's School traffic is local traffic. Everything else is through traffic. The through traffic will be detoured. Calnin and Goss had to flag a lot of traffic last summer, and it was not safe. WisDOT is requiring a detour of through traffic to keep the flagging lines shorter. Your parents should plan on slight delays, but STH 76 will be
