THE ANNUAL CATHOLIC APPEAL IN ACTION . . .

Evangelization

Each parish is unique and offers religious education in ways that meet the needs of over 40,000 students in the local community. Some program structures are very traditional; others are innovative. Over 600 adults in various stages of formation were brought to full initiation with the Church in our diocese last year. Many opportunities for the enrichment of faith are found in events and activities in parishes throughout the diocese, such as Bible Study, parish missions, lecture series, and online learning. These ministries help with adult faith enrichment by providing support for parish leaders and access to resources. Your gift, in essence, builds up our Catholic faith. Together in Mission is a tool within our Diocese that has been created to help pastors, parish clergy and staff, parish ministry leaders and families become more intentional about evangelizing at every phase of life. Your gift supports this innovative tool which impacts the real lives of Catholics growing in faith.

GOSPEL

March 3, 2019
8th Sunday in
Ordinary Time
Lk 6:39-45

Jesus told his disciples a parable, "Can a blind person guide a blind person? Will not both fall into a pit? No disciple is superior to the teacher; but when fully trained, every disciple will be like his teacher. Why do you notice the splinter in your brother's eye, but do not perceive the wooden beam in your own? How can you say to your brother, 'Brother, let me remove that splinter in your eye,' when you do not even notice the wooden beam in your own eye? You hypocrite! Remove the wooden beam from your eye first; then you will see clearly to remove the splinter in your brother's eye.

"A good tree does not bear rotten fruit, nor does a rotten tree bear good fruit. For every tree is known by its own fruit. For people do not pick figs from thorn bushes, nor do they gather grapes from brambles. A good person out of the store of goodness in his heart produces good, but an evil person out of a store of evil produces evil; for from the fullness of the heart the mouth speaks."

REFLECTION

Lent is just around the corner, so today is a good day to think about our character as we approach this holy season. Am I prone to judge others, more likely to recognize others' faults rather than my own? Jesus points out that when we overlook our own faults, not only are we ourselves left deficient, but our judgmental outlook distorts our view of others.

Holy Land Christian Art

Olive-wood Handcrafted from the Holy Land

A Traditional Art and Livelihood for Holy Land Christians

The Olivewood carving industries has evolved as a cultural tradition of the Christians over many centuries. Many Holy Land Christians in the Bethlehem area alone rely upon income generated from this art form. Local Catholic artisans carve the items.

Many families are facing critical situations. Without income, Artisans leave their tradition art and trade and emigrate with their families to find relief from the difficult conditions of their homeland.

Christian's presence in the Holy Land has extended from the Pentecost to the present. 65 years ago, Christians represented more than 28% of the population and now represent less than 2%.

The loss of the Christians in the Land of Christianity's birth will represent a tragedy of immeasurable proportions for all Christians worldwide.

Thank you for your vital support for Christian Tradition and in protecting this very important culture and industry.

Dedicated to supporting the Christian community in the Holy land and to preserve the Christian presence.

Art will be displayed and on sale after all Masses next weekend, March 9 and 10, 2019 in the Gallery of Light.

Ryan's Case for Smiles is one the few volunteer organizations solely dedicated to helping kids feel better to heal better. We create and distribute whimsical pillowcases that give children an emotional boost and remind them that they are not defined by their illness. Our Ewing chapter brings pillowcases each month to children in four local hospitals. When you join us, you'll have a chance to sew, iron and package pillowcases, even cut and pin fabric. No skills or equipment needed - we'll teach you! All ages are welcome.

NEWS FROM THE GREEN TEAM MINISTRY

-- BISHOPS SUPPORT CARBON PRICING BILL

Bishop Frank Dewane of Venice, FL, Chair of the U.S. Bishops Committee on Domestic Justice and Human Development, recently published a letter on behalf of the bishops welcoming the introduction of the bipartisan Energy Innovation and Carbon Dividend Act. He wrote that the legislation is a "major first step in addressing climate change by placing an initial price of \$15 per metric ton of carbon dioxide and establishing a 'Carbon Dividend Trust Fund' to distribute the dividend back to U.S. households."

-- VIRGINIA BISHOPS SIGN U.S. CATHOLIC CLIMATE DECLARATION

On January 16, Virginia Bishops Michael Burbridge (Arlington) and Barry Knestout (Richmond) signed the U.S. Catholic Climate Declaration. They join nearly 800 other Catholic dioceses, organizations and institutions which commit to reducing emissions worldwide and avoiding the most dangerous effects of climate change. In signing the Declaration, they pledged to work in their dioceses to take prudent action to protect the global climate, which Pope Francis reminds us is "a common good, belonging to all and meant for all."

They join the bishops of 48 other dioceses in the United States who have signed the Climate Declaration.

If you forget, don't worry, we'll take them on any Sunday. You can leave your bag of non-perishable food items in the lobby of the church. At present, we send this food to **Mt. Carmel Guild, the Lawrence Community Center (HomeFront), and Better Community Housing.** *Thanks for your support.*

STATIONS of the CROSS

The **Stations of the Cross** or the **Way of the Cross**, also known as the **Way of Sorrows** or the **Via Crucis**, refers to a series of images depicting Jesus Christ on the day of his crucifixion and accompanying prayers. The stations grew out of imitations of Via Dolorosa in Jerusalem which is believed to be the actual path Jesus walked to Mount Calvary. The object of the stations is to help the Christians faithful to make a spiritual pilgrimage through contemplation of the Passion of Christ.

As is our Lenten tradition, the Stations of the Cross will be celebrated each Friday at 3:00 PM and 7:30 PM. If you would like to volunteer to lead the Stations on a particular Friday, please contact Sister Pat (pmcginley@churchofsaintann.net) who is creating the schedule for all the Fridays in Lent.

Religious Education/ Generations of Faith

First Eucharist registration forms were due
Monday, February 25th.

If you have not returned the form,
please do so as soon as possible.

The forms are available on the Church's website
under Children's Education.

If you returned your child's form by the deadline and
selected one of the designated Masses,
please consider your selection confirmed.

If your child's Confirmation registration form was received by
February 11, 2019, please consider your selected service time
confirmed. There are still a hand full of families who have not
returned the registration form. Please do so as soon as possible.

GOF families should have received invitations to register
for a March session. This month's topic is the Sacraments.
The children will be exploring the Sacraments of Initiation
(Baptism, Confirmation, Eucharist), the Sacraments of
Healing (Reconciliation and Anointing of the Sick) and
the Sacraments of Service (Holy Orders and Matrimony).

The adults will concentrate their discussions around
the Sacrament of Matrimony.

We all learned about the outward signs
instituted by Christ that give grace.

However, it benefits us to revisit our understanding of the
Sacraments and garnish a deeper appreciation and respect for
what the Sacraments bring to our lives as Catholics.

We remind you to check the church website to find out
about cancelations of Religious Education classes or
Generations of Faith sessions due to inclement weather.

If it is possible, we will also send out an email
to the address we have on file for your family.

GOING GREEN

Saint Ann School has been focusing on continuing to decrease its environmental impact. Based on Pope Francis' encyclical "Laudato Si", the school has undertaken several projects in line with the Vatican's environmental agenda, such as participating in a school-wide recycling program in partnership with our parish community. Each classroom has its own small blue recycling bin to dispose of paper, plastic, and glass, and large yellow recycling bins have been placed on each floor at one side of the hallway. Each day, students are responsible for emptying the classroom's bin into the main one, which is placed on the street every other week during collection days for Lawrence Township. At Saint Ann School, faculty members and administrators will keep helping students cultivate good citizenship and environmental awareness to better care for God's world, as they continue to strive in their quality faith-based education.
