JOHN 1:36

JANUARY 17, 2021 - SECOND SUNDAY IN ORDINARY TIME

The following is from Fr. Dela Cruz's flock notes dated January 8, 2021:

A MESSAGE FROM FR. LEANDRO 'Lines' DELA CRUZ

Dear Parishioners and Friends,

We have to take our baptism very seriously, far from being just a happy memory caught by a collection of posed pictures of us as infants at the font. Second, we must take seriously every facet of Christ's teaching in making decisions for action practically every day.

Most Catholic adults only confront the importance of their baptism when they visit the parish office seeking permission to be a godparent; or arranging a wedding; or setting up the baptism of their own new child.

The significance of the sacrament of baptism is the fact that it is the "gatekeeper" for the other six sacraments. It begins our full commitment to Christ, albeit made through our godparents, waiting for us to make it on our own. This automatically means that we are called to full participation in the life of the Church Christ founded, and identified Himself with as its Head.

What are some aspects of our commitment? For one, we may have to decide on any given Sunday, do I go to Mass, or junior's soccer game? Do I opt for more sleep because I've had a hard week at work? Do I attend my daughter's Confirmation class on Saturday or go instead to a ballet performance? Basic items but real cases. And those are only the beginning.

Our baptism gave us our permanent identity and it involves far more than a cleansing from original sin. I leave it up to you to research the whole beautiful treatment of the sacrament given by the Church from her earliest days. Go ahead, use Google to enhance your knowledge on the baptism you received. Refresh your earlier learning by finding online the beautiful truths presented by the official Church catechism.

Meanwhile, here is rich food for thought from C.S. Lewis, one of the best exponents of the Christian faith: "I believe in Christianity as I believe that the sun has risen. Not only because I see it, but because by it I see everything else."

This Sunday, we shall renew our baptismal promises - the promises made for us by our parents and godparents when we were baptized as infants. We shall profess our faith and make those promises firm in our lives. If you may, kindly wear something white - a dress, a shirt, a veil, a scarf, or how about a mask, anything white that may symbolize the purity and cleansing that baptism brings.

January 22, Friday, is declared as "Day of Fasting and Prayer to End Abortion". In support of this, we will celebrate the "Mass for the Legal Protection of the Unborn" at 8am on that day, and have an Exposition of the Blessed Sacrament from 12:00pm to 5pm in the chapel. Everyone is welcome to join at your convenient time.

JANUARY 17, 2021 - SECOND SUNDAY IN ORDINARY TIME

Our parish will recite the "Novena to St. Joseph to End Abortion" from January 14-22. Since 2021 is declared "Year of St. Joseph", our novena to end abortion will be through his intercession. We will recite the novena after communion.

NOVENA TO ST. JOSEPH TO END ABORTION

(January 14-22, 2021)

St. Joseph, Patron of the Universal Church and Guardian of the Blessed Virgin Mary and the Child Jesus, the Son of God whom she carried in her Immaculate womb: intercede for us, we pray, that all recourse to abortion might cease in our nation and our world. As you cared for Mother and Child, care for all women who bear the gift of life in their womb. May no harm ever endanger them and may no choice ever threaten the blessing of human life that God has created within. Guard them with your loving protection, at every moment, until His will has been fulfilled. St. Joseph, spouse of Mary and foster father of the Lord, help us build a culture of life that yields a civilization of love among us.

Our Father

Hail Mary

Glory Be

Covid-19 cases is once again on the rise throughout the country and in our area. St. Ann just had one case last week . . . the reason why we had to close our church and office for days and to thoroughly clean and sanitize the place. Church carpet and pews upholstery have been washed and cleaned. Let us pray and do our best that no one gets sick again. We have to be aware that some parishes have in fact reported *communal* spread of the virus. Reports say that the spread was caused by fellow parishioners who were already experiencing symptoms and/or were aware of their exposure to Covid, yet they still brought themselves to Mass. While we do our best to keep our religious gatherings as safe as possible, we need your cooperation. If you are sick even with a mild cold only or have been exposed to Covid, i.e., near the patient within less than 6 feet distance for a period of 15minutes and are experiencing symptom/s (CDC guidelines), in a good spirit of Christian charity, please do not come to Mass or any public gatherings. Kindly stay home even at the slightest suspicion of infection. All our Masses are available online and our obligation for Sunday Masses are still suspended. I once again urge everyone to please be extra and overly cautious for each other.

Our **main church will reopen tomorrow** for the 8AM Mass and weekend Masses. **Office reopens on Monday, January 11, 2021** and resumes regular schedule.

I have received several queries regarding the Covid 19 vaccine. Some are concerned on the morality of taking the vaccine. The Vatican has issued memos and protocols on the morality of the Covid19 vaccines and I share that with you here. Let it be clear that the Vatican states that receiving Covid19 Vaccine is not immoral.

Our campaign for generous Christmas gifts to the parish to bridge our 2020 revenue deficit is a success! Envelopes for Christmas offerings are still pouring in. I'll update you with the total collection when all envelopes are in. It's not too late yet. If you haven't sent your Christmas Gift already, you may still drop them in the collection basket or in the mail. This is such a big, big help to the parish. May this practice of generosity become our parish tradition both on Christmas and Easter. Please accept my gratitude and blessings for this wonderful positive response. I know I can count on you my dear parishioners. It is such a delight to serve as pastor of this outstanding and remarkable faith community of St. Ann.

God Loves You!

Rev. Fr. Leandro dela Cruz
Pastor - St. Ann Parish
Lawrenceville, NJ, USA

Dear Fr. Lines,

Greetings of New Year's PEACE!

Through this letter I would like sincerely to thank you and your parishioners at St. Ann's in Lawrenceville, NJ, for the generous donation of \$7633.00, which you sent us to help in the relief and rehabilitation of the victims of several strong typhoons that visited the Diocese of Legazpi (province of Albay) and neighboring areas in a span of only three (3) weeks last November.

This amount is among several that is now actually being used to help a number of families who totally lost their homes due to strong winds and rising waters brought about by the inclement weather. Admittedly there are still a lot of needs, considering that more than 24000 families are reported to have totally damaged homes. So far we could only assist a small percentage of this total number – not to mention that this is just partial assistance – but the donations we have received, including yours, have already given much hope to a great number of people. And for this we will always be appreciative of and grateful for your kindness and generosity! May the Lord Himself be your ultimate reward!

With every good wish and prayerful regards in the peace that binds us all, I remain

Sincerely yours in the Lord,

+ Joel Z. Baylon
Bishop of Legazpi

Moral Guidance Regarding Vaccines and COVID-19

With the prospect of the FDA approving one (or more) COVID-19 vaccines within the next few weeks, many questions have been raised regarding the ethical status of these vaccines (particularly questioning whether embryonic stem cells or tissue from aborted fetuses were used in their creation, and whether Catholics can morally receive such vaccines). The following is a brief moral analysis to help provide you some guidance when these questions arise. *Be mindful that this analysis is dependent on current information, and therefore could change once more information is released.* It has only been within the last few days that the findings of some of the vaccines have been submitted to the FDA for approval, so more information will be forthcoming in the upcoming weeks as the government and independent researchers have access to data.

Moral Guidance Regarding Vaccines and COVID-19 (23 Nov 2020) Rev. Joseph M. Koopman, STD Associate Professor of Moral Theology St. Mary Seminary and Graduate School of Theology

Diocese of Cleveland With the prospect of the FDA approving one (or more) COVID-19 vaccines within the next few weeks, many questions have been raised regarding the ethical status of these vaccines (particularly questioning whether embryonic stem cells or tissue from aborted fetuses were used in their creation, and whether Catholics can morally receive such vaccines). The following is a brief moral analysis to help provide you some guidance when these questions arise. Be mindful that this analysis is dependent on current information, and therefore could change once more information is released. It has only been within the last few days that the findings of some of the vaccines have been submitted to the FDA for approval, so more information will be forthcoming in the upcoming weeks as the government and independent researchers have access to data.

At this point, it appears as if the vaccine created by Pfizer/Biontech, along with the vaccine created by Moderna have not been created using material of illicit origin (i.e., embryonic stem cells and/or the tissue of aborted children.) For Catholics, this is great news. Theologically speaking, there are no moral or religious grounds that would restrict the consciences of Catholics from receiving these vaccines.

There have been articles and press releases that affirm that, while these above vaccines were not created with material of illicit origin, there is good reason to believe that these vaccines may have been tested (post production) utilizing the tissue of aborted fetuses. These articles and statements, therefore, conclude that it is immoral to use them. This sweeping conclusion is **inconsistent with Catholic moral teaching**.

A critical question is: "Are Catholics always forbidden to perform an action if it touches upon evil, or cooperates, somehow, with the evil action of another?" The answer is 'no'. There certainly are instances when Catholics must refrain from immoral cooperation. However, Catholic teaching on moral cooperation makes critical distinctions (mediate/immediate, proximate/remote, etc.) to determine the degree or level to which one cooperates in evil. In some cases, some forms of cooperation, while unfortunate, can be allowed in certain circumstances.

Unfortunately, we live in a fallen world. Dig deep enough, and one finds that many of our actions somehow touch upon evil and the evil actions of others. While the Church draws a firm line in delineating certain acts of cooperation as immoral, it does not condemn all actions of cooperation as such. It challenges us to be aware of evil around us, to always choose the option that involves less evil (or no evil), and to speak and challenge others to desist from evil. It is for this reason that the Church, in the early months of vaccine development for COVID 19, boldly challenged (and continues to challenge) researchers and the medical industry to seek moral means of vaccine production (and to reject the use of material of illicit origin that involved the destruction of unborn life).

(CONTINUED ON NEXT PAGE)

JANUARY 17, 2021 - SECOND SUNDAY IN ORDINARY TIME

Regarding the previous statement regarding the immorality of taking the vaccine because of immoral post-production testing, or even statements from some bishops that have forbidden vaccines derived from material of illicit origin, the following paragraph from Dignitas Personae, issued from the CDF under Pope Benedict XVI, offers critical (and perhaps surprising) conclusions. In speaking of the use of embryonic stem cell lines or the tissue of aborted children, the document states in no. 35: "Grave reasons may be morally proportionate to justify the use of such 'biological material'. Thus, for example, danger to the health of children could permit parents to use a vaccine which was developed using cell lines of illicit origin, while keeping in mind that everyone has the duty to make known their disagreement and to ask that their healthcare system make other types of vaccines available." While the statement uses the example of the danger to the health of children, the dangers of COVID-19 particularly to our vulnerable elderly or those with compromised health could reasonably be presumed as grave reason for vaccination. While the Church unequivocally condemns researchers and the medical industry for the creation, production, and distribution of vaccines produced from embryonic stem cells and from the tissue of aborted children, the receiving of these vaccines is in another moral category.

In conclusion, at this point there appears to be no moral issues to prohibit a Catholic from receiving vaccines produced by Pfizer or Moderna. If other vaccines are released which do have recourse to material of illicit origin, Catholic moral teaching would direct Catholics to utilize the option that is least morally problematic (i.e., the vaccines that were not created via such immoral means). Providentially, these two listed vaccines satisfy that criteria.

As more vaccines are produced, we recommend that you visit the following website, which provides a fairly complete list of all vaccines, and how they were produced and tested: **Update: COVID-19 Vaccine Candidates and Abortion-Derived Cell Lines | Charlotte Lozier Institute**

JANUARY 17, 2021 - SECOND SUNDAY IN ORDINARY TIME

NOTES FROM USCCB (Doctrine and Pro-Life Committees) RE VACCINES FGOR COVID-19 November 23, 2020

There appears to be some confusion in the media regarding the moral permissibility of using the vaccines for COVID-19 developed by Pfizer Inc. and Moderna. We would like to offer some clarifications.

Neither the Pfizer nor the Moderna vaccine involved the use of cell lines that originated in fetal tissue taken from the body of an aborted baby at any level of design, development, or production.¹ They are not completely free from any connection to abortion, however, as both Pfizer and Moderna made use of a tainted cell line for one of the confirmatory lab tests of their products. There is thus a connection, but it is relatively remote.

Some are asserting that if a vaccine is connected in any way with tainted cell lines then it is immoral to be vaccinated with them. This is an inaccurate portrayal of Catholic moral teaching.

There are three documents from the Holy See that treat the question of tainted vaccines: 1) the 2005 study by the Pontifical Academy for Life, "Moral Reflections on Vaccines Prepared from Cells Derived from Aborted Human Fetuses"; 2) paragraphs nos. 34-35 in the 2008 Instruction on Certain Bioethical Questions (Dignitatis Personae) by the Congregation for the Doctrine of the Faith; 3) the 2017 Note on Italian Vaccine Issue, by the Pontifical Academy for Life.

These documents all point to the immorality of using tissue taken from an aborted child for creating cell lines. They also make distinctions in terms of the moral responsibility of the various actors involved, from those involved in designing and producing a vaccine to those receiving the vaccine. Most importantly, they all make it clear that, at the level of the recipient, it is morally permissible to accept vaccination when there are no alternatives and there is a serious risk to health.

The Pontifical Academy for Life gives as an example the case of rubella (German measles): "We find, in such a case, a proportional reason, in order to accept the use of these vaccines in the presence of the danger of favoring the spread of the pathological agent, due to the lack of vaccination of children. This is particularly true in the case of vaccination against German measles."²

The Pontifical Academy does call for appropriate expressions of protest against the origins of these vaccines as well as for vigorous efforts to promote the creation of alternatives. "There remains a moral duty to continue to fight and to employ every lawful means in order to make life difficult for the pharmaceutical industries which act unscrupulously and unethically." The Pontifical Academy adds, however, that public health must not be sacrificed. "The burden of this important battle cannot and must not fall on innocent children and on the health situation of the population." ¹ See the chart provided by the Charles Lozier Institute: COVID-19-Vaccine-Candidates-and-Abortion-Derived-CellLines.pdf(pcdn.co). ² Pontifical Academy for Life, "Moral Reflections on Vaccines," (9 June 2005) in National Catholic Bioethics Quarterly 6:3 (2006): 541-49, especially n.16.

January 17, 2021
2ND SUNDAY IN ORDINARY TIME

John 1:35-42

John was standing with two of his disciples, and as he watched Jesus walk by, he said, "Behold, the Lamb of God." The two disciples heard what he said and followed Jesus. Jesus turned and saw them following him and said to them, "What are you looking for?" They said to him, "Rabbi" — which translated means Teacher —, "where are you staying?" He said to them, "Come, and you will see." So they went and saw where Jesus was staying, and they stayed with him that day. It was about four in the afternoon. Andrew, the brother of Simon Peter, was one of the two who heard John and followed Jesus. He first found his own brother Simon and told him, "We have found the Messiah" — which is translated Christ —. Then he brought him to Jesus. Jesus looked at him and said, "You are Simon the son of John; you will be called Cephas" — which is translated Peter.

REFLECTION

Today's Gospel features Jesus calling his first disciples. The invitation is welcoming and intriguing: "Come, and you will see." How are we called by the Lord? The Lord has called us all here today on this Sunday in the middle of January and so we have come together to listen to God's word and to receive our Lord in the Eucharist. How is the Lord speaking to us today?

Coronavirus Prayer

Let us pray....

Lord Jesus, at your command, the sick were made well! Come to our aid now, in the midst of the Global spread of the Corona Virus, that we may experience your healing love.

Heal those who are sick with the Virus. May they regain their strength. Heal us from our fear, which prevents us from working together and with one another. Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders.

Stay by our side in this time of uncertainty, sorrow and fear. Be with those who died from the virus. May they be at rest with you in peace. Be with the families of those who are sick or have died. As they worry or grieve, defend them from illness and despair.

Be with the medical professionals who seek to heal and put themselves at risk in the process. Be with the leaders of all nations, give them the foresight to act with charity and true concern for the wellbeing of everyone.

Lord, Stay with us as some of us mourn, as many of us try to endure, persist, struggle and prepare. In place of our anxiety, give us your peace.

Lord Jesus Christ, Heal us and protect us. Amen

Catholic Principles of Migration

Immigration remains a critical issue in the United States. Aware of the high polarization around the immigration debate, it is good for us as Catholics to stay educated and in focus on this issue. As a reminder, we list below, the Catholic Principles of Migration, rooted in the Gospel, and found scripted in the pastoral letter concerning migration from the Catholic Bishops of Mexico and the United States: *Strangers No Longer; Together on the Journey of Hope*.

- **Persons have the right to find opportunities in their homeland.**
- **Persons have the right to migrate to support themselves in their families.**
- **Sovereign nations have the right to control their borders.**
- **Refugees and asylum seekers should be afforded protection.**
- **The human dignity and human right of undocumented migrants should be respected.**

Below also is listed an article of interest reminding us that we are called to live in communion. There is no Us and Them, but one family of God.

Second Sunday of the Year

Focus

A Bible open at today's Gospel, with a large rock sitting next to it.

Introduction

The people were waiting with growing excitement for the Messiah that God had promised to send. John the Baptist had told them that their Saviour was already among them, but what would he look like and how would they know him? In today's Gospel we hear how John reveals his identity to two of his followers.

Gloria

Gospel Acclamation

Light the Gospel candle and sing Acclamation 4.

Gospel

A reading from the Gospel of St John (1:35-42)

John the Baptist was standing with two of his followers when he saw Jesus walking by. 'There is the Lamb of God,' he said, looking at Jesus. On hearing this, the two men left John and followed Jesus.

Seeing that they were following him, Jesus turned and asked, 'What do you want?'

'Rabbi, we would like to know where you live,' they answered.

'Come with me and see,' Jesus said.

So they followed him to his house and stayed with him for the rest of the day. One of these disciples, Andrew, was the brother of Simon Peter. Immediately Andrew hurried to find his brother to tell him that he had met the Messiah promised by God. Simon went with Andrew, and when Jesus saw him he said, 'Simon, son of John, you will be known as Cephas, a word which means rock.'

This is the Gospel of the Lord.

Praise to you, Lord Jesus Christ.

Reflection

Why did John refer to Jesus as the 'Lamb of God'?

Lambs were sacrificed by the Jewish people as an offering to please God. As the Messiah or Saviour promised by God, Jesus would offer his life on the cross as the perfect and innocent sacrificial 'lamb', willingly taking the sins of the world on himself and transforming death into life through this ultimate act of love.

Why did the two men follow Jesus?

They had heard John the Baptist preaching as he prepared the people for the Messiah or Saviour promised by God. When John pointed Jesus out to them, they showed no hesitation in following him.

Did they approach Jesus directly?

They hung back and followed at a distance, probably feeling uncertain about what to say or ask.

What did Jesus do when he saw them?

He invited them to follow him home, and spent the rest of the day allowing them to get to know him better.

What happened after this short meeting with Jesus?

One of the men was so impressed by Jesus that he went to search out his brother and convince him to come and meet Jesus as well.

Can you remember the names of these two disciples?

Andrew had followed Jesus home on that first day, and Simon Peter was the name of the brother he brought to meet Jesus.

Why did Jesus tell Simon Peter that he would be known as 'Cephas', which means rock?

Jesus knew that Peter would be the one to profess or recognise that Jesus was indeed 'the Messiah, the Son of the living God' (Matthew 16:21). He was the disciple chosen by God to lead the followers of Christ and become the 'foundation' or 'rock' on which the early Church would be built.

Activity

Give each child a puzzle to complete.

Intercessions

As brothers and sisters in one loving family, together let us pray to our heavenly Father:

We bring to God's love his people and his Church throughout the world.

Lord, in your mercy, **hear our prayer.**

We bring to God's love all who suffer because they choose to follow him.

Lord, in your mercy, **hear our prayer.**

We bring to God's love the hungry, the homeless and the unloved.

Lord, in your mercy, **hear our prayer.**

We bring to God's love all who have died and those who mourn for them.

Lord, in your mercy, **hear our prayer.**

Knowing that our heavenly Father is listening, in the silence of our hearts let us share our own unspoken prayers with him.

Silence

Loving Father,
give us the courage to follow you,
so that by our words and actions
we may be witnesses to your love.
Grant this through Christ our Saviour.
Amen.

Help them find their way to Jesus

Two of John's disciples followed Jesus. The one called Andrew had a brother. What was his name?

Four Ways to Leave A Legacy

Did you know there are four easy ways for you to remember your parish in your will?

1. **A Specific Bequest** – You can designate a certain amount of cash or specific assets to the parish.
2. **A Residual Bequest** – You can plan for the parish to receive all or a portion of your estate after other specific bequests have been distributed.
3. **A Percentage Bequest** – You can designate a certain percentage of the estate to go to the parish.
4. **A Contingent Bequest** – You can make the parish the recipient of a bequest if others named in your will are not living at the time of your death.

No matter how you decide to remember your parish, a gift from your will accomplishes several key benefits.

- **It sends a strong message to your heirs that the Church played an important role in your life.**
- **It guarantees that your generosity to the Church will be continued even after you are gone.**
- **It provides important assistance to our parish.**

It may even provide tax benefits for your heirs.

Talk to your lawyer or financial counselor today about the best way for you.

“New Stimulus Package Approved by Congress”

Section 2204. Allowance of partial above the line deduction for charitable contributions. The provision encourages Americans to contribute to churches and charitable organizations in 2020 by permitting them to deduct up to \$300 of cash contributions, whether they itemize their deductions or not.

Section 2205. Modification of limitations on charitable contributions during 2020. The provision increases the limitations on deductions for charitable contributions by individuals who itemize, as well as corporations. For individuals, the 50 percent of adjusted gross income limitation is suspended for 2020. For corporations, the 10 percent limitation is increased to 25 percent of taxable income. This provision also increases the limitation on deductions for contributions of food inventory from 15 percent to 25 percent.

*A young man was surprised to find his sick and elderly grandfather planting a small peach tree in his backyard. When the young man asked his grandfather why he was planting the tree, the old man replied, **“Son, all my life I have eaten the fruit from trees that other people have planted. I figure I have an obligation to make sure there is some fruit around for others to enjoy.”***
