FISCAL REVIEW

OUTLOOK

Our regular Sunday offering continues to be our primary source of income. It provides the fuel with which we run the parish. This year, our collections remained steady. Our Finance Committee will continue to work hard to manage our financial resources, and keep us within our budget. Identified givers (those who use envelopes or the automatic withdrawal program) are the largest contributors. They are 52% of our registered parishioners and they contribute 88% of our weekly income. Becoming an identified giver provides a way for you to publically express your support of our parish.

Please use your envelopes regularly or join the growing group of parishioners who make their contributions through the automatic withdrawal. This year 122 parishioners made their regular contributions through our automatic withdrawal program contributing about \$14,000 per month. If you have not become an **identifiable giver**, consider joining this growing number of supporters. Unfortunately, 40% of registered parishioners who receive the services of the parish have made no identifiable contribution to our parish this year.

OUR SAINT ANN SCHOOL

Saint Ann School is one of our primary parish ministries. The Saint Ann School Financial Report can be found on page 5. Enrollment was 325. Saint Ann School is a **Nationally Recognized Blue Ribbon School**. The School Marketing Committee does a great job in presenting the good news of our school to the public, but word of mouth will always be the greatest encouragement for families to enroll their children. Visit our school; tell your family and friends and neighbors about this great treasure right in our own back yard. We are grateful to all who contribute to our school in many different ways: through volunteer service, gifts, PTA events, and especially those who have stepped forward to contribute to our CEL (Children's Education Lifeline - emergency assistance) PROGRAM. This program has allowed families who have met unexpected emergencies continue to keep their children in our school. Our parish Catholic Education Endowment Fund has enabled us to contribute \$25,000 in tuition assistance to students in need this past year.

CHURCH OPERATION

We continue, through our **Building and Grounds Committee**, to maintain and improve our six properties here in Lawrenceville, and the two properties at our Saint Michael Campus. Preventive maintenance is certainly the most cost effective way of keeping these properties in good working order. The LOOK WHAT WE HAVE DONE THIS YEAR! section of this report will help you see how we have been tending to immediate needs, as well as preventive maintenance. As we did last year, we will carefully monitor our income, so we can continue our preventive maintenance without straining our ordinary operating budget.

PARISH MINISTRIES

Our parish ministries are the ways we respond to our mission as a parish. The volunteers who serve in these wonderful and diverse ministries provide the backbone of what gets done; each ministry requires support of both personnel and financial resources. Balancing this distribution is a challenging task made easier by your generosity in the Sunday collection.

FAITH DEVELOPMENT CENTER

We continue to grow in our understanding of how to best use this great gift to better serve the community. The building requires continual care, maintenance, and updating. It is a source of great pride for our parish, and we need to continue to be good caretakers of this gift. Your financial support allows us to do this well.

GOOD STEWARDSHIP

Stewardship is a great responsibility for all. It involves serious commitment to use well the gifts of time, talent, and treasure that are given so freely to our community. Each parishioner has a responsibility to be a good steward, and

to examine their personal use of time, treasure, and talent carefully. October is the time we challenge all to reflect on their financial giving and consider giving a fair proportion to the gifts you have received. Regular examination is an important spiritual exercise in the life of a believer. Generosity in a time of financial challenge is countercultural, but it helps us move from our self-interest to focus on the common good. We rely heavily on the support that is given by **ALL** of our members. We ask those who are not financially contributing to the parish to prayerfully consider supporting the parish with their treasure.

MORTGAGE

In the spring of 2014, as anticipated following our SECURE THE FUTURE Campaign, we were able to eliminate the parish debt by paying off our mortgage in full—saving approximately 1.7 million dollars over the life of the loan and freeing up \$12,775. each month for use in the parish. **The payment of the mortgage was a loan against future pledge payments so please don't forget to fulfill your pledge!**

VOLUNTEER CONTRIBUTIONS

The strength of our parish is dependent on the many disciples who give of their time and talents to help us accomplish our mission. They make the Church of Saint Ann the great community that it is, and all should be grateful for their generous service. This represents a tremendous savings to our parish. Not to mention this contribution in any financial report is to ignore a very significant aspect of our parish treasure. We are a volunteer dependant parish and are most grateful for our many volunteer disciples who serve in the parish.

MEMORIAL DONATIONS

Each year in our Pastoral and Financial Report, we acknowledge financial gifts given to the parish in memory of deceased friends and loved ones. Not only does this represent a generous contribution to our financial picture, it also provides a great way for many people, who have given so generously of their time and talent to this parish during their life, to continue to assist this community even after death. We continue to count on their prayers and support. This year's memorial donations amounted to \$25,022.

BEQUESTS

Remembering the Church of Saint Ann in your will is one very important way to contribute to the future growth and life of our parish. We have been blessed and have received a number of bequests in the past few years. The bequest from Mary and Peter Russo continues to assist our Adult Faith Formation Programs. The bequest from Josephine Spencer helps us in our Hospitality Ministry and a recent bequest from Jane Davis will support the general work of the parish. We are grateful to those who make contributions to our Faith Development Center and those who remember deceased friends and loved ones with a contribution to the Faith Development Center. The corporate name for remembering Saint Ann in your will is **THE CHURCH OF SAINT ANN, LAWRENCEVILLE, NJ.**

THE LEGACY SOCIETY

The *Legacy Society* is a group of committed individual donors that have taken steps to secure the future of our parish community through estate and other planned giving. Planned giving is a way that any parishioner can leave a sustained legacy to the parish and its mission. Please consider being a part of this group by simply letting us know your plans. You can contact us at the parish office. More information can be found at legacy@churchofsaintann.net.

MATCHING FUNDS

The parish is grateful to a number of parishioners who include The Church of Saint Ann or Saint Ann School in their employer's matching funds program. Each year we receive a significant amount of money from these employers. In the past, they have included Robert Wood Johnson Foundation, Bank of America, Bristol-Myers Squibb, Merck, Morgan Stanley, Verizon, and CA Technologies.

MEMORIAL DONATIONS

July 1, 2013 through June 30, 2014

We are grateful for those who have made donations to our School, Church, and Faith Development Center as a way of remembering deceased loved ones.
