

We understand that one of the most important decisions parents make for their children is where to educate them. Your child's education can play a significant role in shaping them as a person. We also realize that cost is an important part of your decision in choosing the right school. A Catholic education at SBS can be a wonderful choice for families to invest in their child's education!

New student on-line applications for the 2025-2026 school year are still being accepted.
