On the weekend of February 22nd - 23rd, please welcome Deacon James Darter as he joins us for our masses. Dcn. Jim is from New Madrid, and he will be joining us at mass to preach and teach us a little about the permanent diaconate. We thank Dcn. Jim for his service, and pray that God will call one of our own men to this noble ministry.

## May married men be ordained deacons?

Yes. The Second Vatican Council decreed that the diaconate, when it was restored as a permanent order in the hierarchy, could be opened to "mature married men," later clarified to mean men over the age of 35. This is in keeping with the ancient tradition of the Church, in which married men were ordained into ministry. Also in keeping with ancient practice is the expectation that while a married man may be ordained, an ordained man, if his wife should die, may not marry again without special permission.

## Spiritual Library

We've started a lending library in the back of church for Catholic books. Stop by the bookshelf in the vestibule and find something to refresh your soul.
