15th Sunday in Ordinary Time

"He summoned the Twelve and began to send them out two by two." This Sunday we read the first sending of the Apostles to preach, teach, and heal. For many of us, it can be easy to think we "just don't have enough" to be disciples and evangelists ourselves. We don't have enough education and training. We don't have enough experience talking to people about Jesus. We don't pray enough. We don't have enough faith.

If you look at the Apostles in today's Gospel reading, they didn't have much either. "No food, no sack, no money in their belts." They didn't plan out their itinerary or book their lodging in advance. From what we know of the Apostles, they were not the religiously trained and educated ones. They were fisherman, tax collectors, and political activists. But what does being a fisherman require? Someone like Peter needed a strong work ethic to rise at strange hours. He needed patient calm to wait for the catch. Once ashore, he needed a savvy mind to fetch a good price for his labors.

As Peter became a fisher of men, he would need diligence to persevere through the hard journeys, long days, and persecution that awaited him. He would need patient calm with those who disagreed with him. As the leader of the Apostles, he would need a savvy mind to navigate challenges facing the early Church. From one perspective, Peter has nothing to offer the mission of Jesus. Thinking more creatively, one can see that -- joined with faith and love -- perhaps Peter had everything he needed.
Jesus sends you as well. As you take stock of your own talents, consider how they might be offered as a gift to others. Maybe you already have more than enough.

Cross Catholic OUTREACH

Delivering Food, Shelter and Hope to the Poorest of the Poor

Father Farrell E. “Mac” McLaughlin of Cross Catholic Outreach will be visiting our parish next weekend to speak at all the Masses on behalf of the poor in developing countries.

Cross Catholic Outreach was founded to create a meaningful link between parishes in America and the priests and nuns working in the Church overseas in the Caribbean, Africa, Asia, Central and South America.

Faith FORMATION

Mrs. Rachael Czephya

I hope you all are enjoying the slower pace of summer and have had opportunity to spend time together with family and friends. I know that I'm enjoying the slower pace myself. We enjoyed time with family over this past weekend in beautiful N.H. a place where you certainly see the great works of God with all the beauty around you.

One of my goals for this summer is to start to do some Bible Journaling. I have always admired looking through Pinterest post on the subject and seeing the unique way to enjoy this journey through the bible. I'm excited to see where my journey will take me. What are your goals for the summer? I hope that you can find time to add God into those goals by maybe joining a ministry or adding more prayer time. Whatever it is that you choose I hope that it helps you to have a peaceful and joyous summer.

Our next meeting is on July 24th for an Ice Cream party 5:30-7:00 pm. If you plan to join us, please RSVP to Rczepyha@ssrcparish.com so we can have enough Ice Cream! We have not had any interest in this event as of yet so if you are planning to attend please RSVP as soon as possible. Even if you have never joined us before all are welcome! This is open to anyone entering Grades 2 through 5 next school year.

If you have not registered for next year you can do that at any time during the summer. You can drop your registration in the basket or bring it to the church office at any time. If you need a copy of the registration you can pick one up in the church office.

Summer Information Packet

Last week we closed the school for the holiday and began this week with our summer hours. While there are no students in the building this time of year there is a lot to do as we prepare for the 2018-19 school year. The building is being professionally cleaned and several maintenance projects are being completed.

This past week all school families received an electronic "mailing" via our software Rediker which included a letter from me and several attachments. Important information regarding the upcoming school year was provided to families so that they can plan accordingly. Should parents have questions about their child(ren)'s summer work please email the classroom teacher directly. Of course, Mrs. Doreen Larocque my Administrative Assistant is also available to answer questions regarding the upcoming school year. There was quite a bit of information sent to parents and will take time to read over carefully as the attachments contain information about athletics as well as other co-curriculars such as Chorus, Drama, and music lessons to name a few. School families that did not receive anything from us this week via email should immediately contact Mrs. Larocque via email dlarocque@saintroseschool.com or call the school 739-6937.

On another note while our grade one and Kindergarten programs are filled we have a few openings in both Prek3 and Prek4 and as well as space in our upper grades. If interested in scheduling a tour please contact Mrs. Larocque to schedule a time to meet with me.
