MARRIAGE

We are unable to accommodate all of the requests for weddings at Stella Maris. To marry here, at least one party to the marriage should be an active parishioner, regularly attending Mass for one year before asking to schedule a wedding. As Catholics, we believe that God has a plan for marriage. Cohabitation before marriage is not part of God’s plan and decreases the chances of success in maintaining a permanent union. Cohabiting couples should separate and live apart before requesting the Sacrament of Matrimony. More information is available from the parish office regarding guidelines for weddings and parishioner status. Diocesan policy requires at least six months’ notice before setting a wedding date.

SACRAMENTAL POLICY

In order to receive First Holy Communion or Confirmation, students in Grades 2 and 8 must attend TWO FULL YEARS of religious instructions if they are NOT in our Catholic School system. No more than THREE (3) classes can be missed during the year of sacramental preparation.

If anyone wishes to receive Communion and is unable to come to Mass, call Deacon Jason Vaughan at 843-883-3044

MONEY MATTERS

The collection last week amounted to \$11,967.50.

The facilities and services of Stella Maris Parish are available to its active members. This includes use of the Church for Baptisms, Weddings, and other sacramental events and includes parishioner status in our parochial schools. Active membership is determined by three things: being registered in the parish for a sufficient period of time, faithful attendance at Mass on Sundays and Holy Days, and the use of the envelope system in support of the parish. N.B. If you are attending Stella Maris but not receiving envelopes, then you are not registered. Please call the Parish Office for registration information.

FROM THE PASTOR’S DESK

My dear people,

A number of you have expressed thanks for the music of the last two weekends. It was chosen to express thoughts and emotions about our country and fellow citizens. Two weeks ago, we were very much mindful of the killing of members of our military by a car bomb in Afghanistan. Last week, those memories were still fresh as we observed the twentieth anniversary of the attacks on our country which killed nearly 3,000 people. As mentioned last week, my hope was to strike a balance with liturgies that reflect true love of country without presenting Catholicism as a national religion. In particular, I want to thank Mr. Waldon. He decided to take up an organ arrangement of John Philip Sousa’s *Stars and Stripes Forever* as a postlude. Hearing him practicing, I told him I’d never heard the versatility of our organ utilized better. Some 20 years ago when we were discussing a pipe organ, I was persuaded to accept the design of a larger instrument than we had planned, not for the sake of volume but for versatility. Last week, one parishioner agreed with me that it sounded as if the Marine Band was in the loft, not because of volume but because of variations from the light flute sections to the timbre of various brass instrument. Kudos to Mr. Waldon.

Our Men’s Club met Tuesday and expressed hope that we can once again present our traditional Oktoberfest. Please save the date: Saturday evening, October 16. The pandemic has made takeout popular and the men plan to offer the option.

At the Men’s Club meeting, I was able to offer a little more about the progress towards a new Hall. Depending on wind direction, we are still finding new leaks, hence the plastic buckets in my office and elsewhere. My hope is that we can get to a proposed design to show you this fall as we elicit your contributions more formally. If materials and construction costs will decline by 2022 as hoped, it would be great to break ground at that time. If we complete a new Hall by June of 2024, we could celebrate a new Parish Center as we commemorate the 150th Anniversary of the dedication of the church. What a glorious day that would be! (Oh, and by the way, I hope that the Hall will be built and paid for in time for that felicitous occasion!) A significant number of people contribute monthly and even weekly to our building fund (“Grateful to Give” campaign). All offerings designated to our building fund are exempt from diocesan tax and special collections; 100% remains in the parish. As also reported to the Men’s Club, we are seeing a significant number of new registrations (many young families) just as some of our older volunteers say it is time for them to pass the torch. Mrs. Ann Thompson is our coordinator of volunteers and together we hope people will step up for service to God and others through parish activities.

We are at the peak of hurricane season; please keep up the prayers!

Father McNerny
