

- **Small Class Sizes**
- **Faith-Based Education**
- **Family Atmosphere**

## Why Choose Us?

- Children can stay with us long-term and build strong relationships with staff and classmates
- Most diverse scheduling options in the area
- More affordable than daycare and other childcare services
- After school care service, After School Club, runs until 5pm for \$6.00/hr/child
- Involvement in grade-school activities like field-trips and holiday programs

Full Days  
8am-3pm  
Half Days  
8am-11am

Full Days

Tu/Th  
\$246/month

Half Days  
M/W/F  
\$203/month  
Tu/Th  
\$187/month

# Our Preschool

## Requirements

Your child could begin at St. Mary's on their 3<sup>rd</sup> Birthday. The only other requirement is being toilet-trained.

## Curriculum & Culture

Children 3 and above are in the thick of social-emotional learning. We meet each child where they are to help them excel to their next natural learning focus. Play based learning, outdoor exploration, and age-appropriate curriculum are offered every day.

## Academics

Our preschoolers receive all the same specials classes that our grade-school students receive : Spanish, Art, Music&Movement, and Physical Education. 3 and 4 year olds attend specials classes separately so that each age level gets academically-focused time back in the classroom.

# About Us

St. Mary's School is a small, family-oriented school that is fueled by faith. We have a schoolhouse culture : multi-grade level classrooms where all the teachers and students in our one-hallway building know one another by name. We are committed to fostering a rigorous academic environment while simultaneously nurturing a strong moral compass. There are opportunities throughout the whole year for our families to grow and thrive together : field trips, service opportunities, volunteerism, fundraisers, and holiday programs/events.

Do more than day care or childcare for your little one : entrust them with experienced, well-tenured staff, expand their family, and heighten their moral capacity.
