SCHEMA 2
MODIFIED 40 HOURS DEVOTION
ADORATION PAUSED IN THE NIGHT

In this option, the devotion begins on an evening with a Mass. In the night, the Blessed Sacrament is reposed, but it resumes the next days. It finishes at a solemn Mass on the last day in the evening. If desired, it may conclude with a procession and/or solemn benediction following Mass.

*This option could be compressed into 3 days if an extra hour of adoration is added to each of the longer days. This option works well with a family formation night or youth group held on Wednesday.

(Note: dates and times are suggestions. Other times may be chosen which work better for your parish within the week of March 20-26.)
