Thank you for attending our In-Person Certification Workshop!

If you have not set up your free account with Franciscan At Home, please complete the following steps in the next few days.

1. Visit the Franciscan At Home sign-up page for the Archdiocese of Oklahoma City: FranciscanAtHome.com/ArchOKC
2. After you submit the first registration page for your new user account, you will be asked to select your parish from a drop-down list. If you cannot find your parish, please select the host parish for this workshop.
3. Be sure to use the same email for your Franciscan At Home account that you used to register for the workshop. If you do not use the same address by mistake, you can update your profile once you are logged into Franciscan At Home.

Once you have made your Franciscan At Home account:

1. Scroll to the "Start Learning..." section of your dashboard page and select "Basic Certification Track"
2. On the next page select "Start this track and request a mentor from Archdiocese of Oklahoma City" and click "Continue"
3. On the next page, click on the blue text "Basic Certification Track" under the "Course of Study" heading
4. On the next page, click on the "Start this course" button
5. **That's it!** You will be assigned a mentor from your home parish to follow up with you after the workshop. If you have a particular request for a mentor among the ministry leaders of your parish, please include that request in your "bio" on the request mentor page.

Thank you for your answer to the call to **Go Make Disciples!** If you have any questions about this or future workshops, please contact us at RotherInstitute@ArchOKC.org or 405-721-4208.
