"Share Your Light Story"

Using the photo below as inspiration, imagine how you could use any of its aspects to witness God's saving grace to non-Orthodox Christians. While the photo contains many features, consider them in context with the "Good News of Christ". Begin your efforts with prayer and continue praying as you complete this optional endeavor. Ask the Holy Spirit to guide and use you to "let your light shine before others, so that they may see your good works and give glory to your Father in heaven." (Matthew 5:16)

In 125 words or less, "Share Your Light Story" in the space below.

Please note: Only submissions using this "google document" format can be accepted. If you need help entering it, please ask a family member or friend to assist you. The deadline for receipt of your story by Fr. George is Sunday, May 15th at 5:00 p.m. I am deeply appreciative for your participation, and if you give me permission below, I hope to share aspects of them with our parish family.

Faithfully yours,

+Fr. George Tsahakis
