#### A Joyful Celebration of Vasilopita and Philanthropy

This past Saturday, our Philoptochos Vasilopita Dinner and Fundraiser was nothing short of extraordinary.

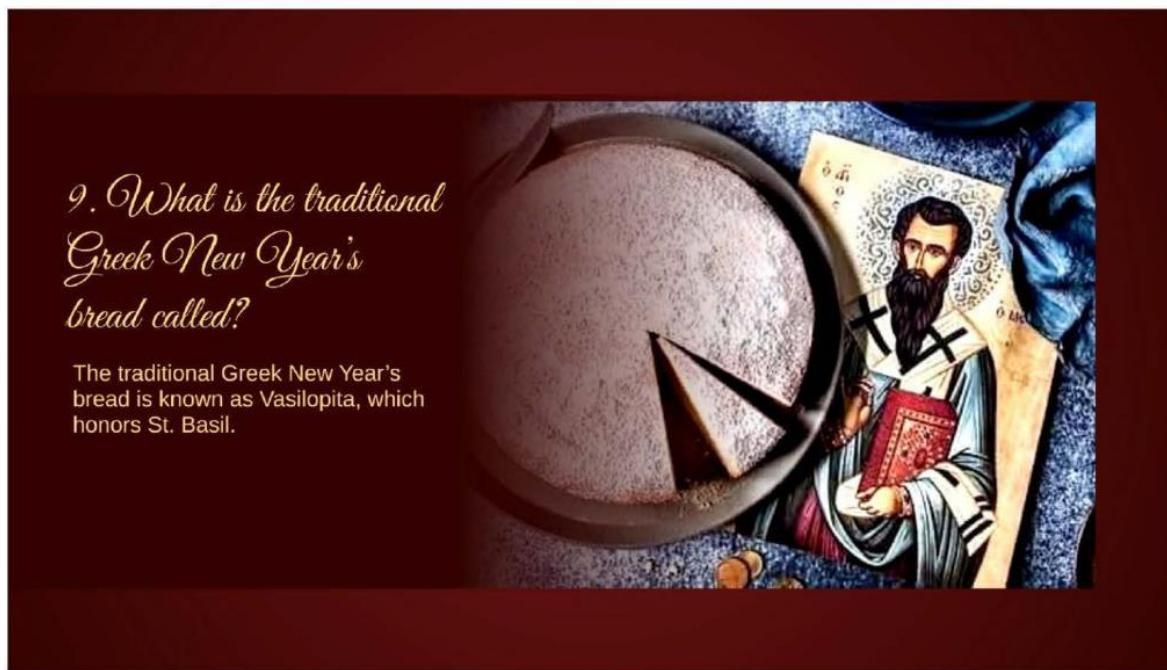

Together, we raised over \$16,500 to support three vital ministries:

- Local: *Bloom Our Youth*
- National: *St. Basil's Academy*
- International: *Paradise4Kids in Western Africa*

What a blessing to see our parish family come together in such a meaningful way! The evening was exquisite—beautifully decorated tables, an elegant atmosphere, and delicious homemade dishes that complemented the entrees served by Philoptochos. The lively bidding by Charlie Lungaro added excitement and joy, and the number and variety of Vasilopitas were truly impressive—creative, eye-catching, and made full of love.

The photos that follow from the evening tell the story even better than words: smiling faces gathered around tables, friends and families laughing as they shared

*parea* and bantered with the auctioneer, and the vibrant display of cakes—each one unique, reflecting the heritage and creativity of its baker. You can feel the warmth of fellowship in every image, from the spirited auction to the quiet moments of blessing before the meal.

*9. What is the traditional Greek New Year's bread called?*

The traditional Greek New Year's bread is known as Vasilopita, which honors St. Basil.

For me personally, this tradition is one of my favorites because it brings us together as a parish family to share our ethnic and cultural heritage while honoring the sacred intention of the Vasilopita—the bread of St. Basil. Each slice of every cake reminds us of generosity and

care for those in need, as our donations assist ministries that nurture and protect youth.

The coin hidden inside the Vasilopita carries deep symbolism. It represents the blessings of God for the year ahead and reminds us of St. Basil's legacy of compassion and care for the poor. In the original tradition, St. Basil distributed bread with coins hidden inside to help those in need without causing embarrassment. Today, when we search for the coin, we are reminded that true treasure lies in faith, charity, and the joy of giving. *For all who donated, you made a substantial difference. We appreciate your generosity and creativity.*

This year, I had the joy of purchasing Anna Neydanova's Vasilopita, a cake that reflected her Bulgarian heritage in a truly beautiful way.

In her note, Anna explained that the coin inside was one Bulgarian Lev, featuring St. John of Rila the Wonderworker—the founder of the Rila Monastery and a saint revered for his holiness and miracles. She even shared the ingredients: orange zest, walnuts, cloves, nutmeg, cinnamon, and a touch of cognac. Her attention to detail and care for others—even noting possible allergens—showed the love behind her baking.

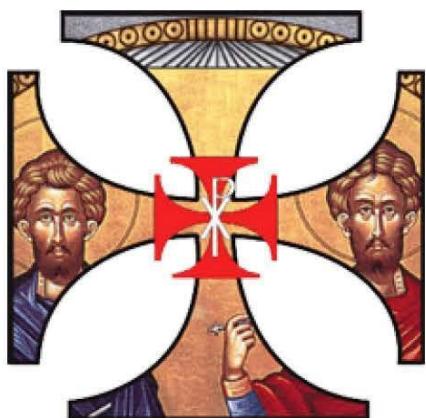

Anna also reminded me that this coin might hold numismatic value in the future since Bulgaria entered the Eurozone on January 1, 2026, making the Euro its official currency. What a fascinating connection between faith, culture, and history—all wrapped in a single slice of cake!

When I tasted her Vasilopita, I could only echo what I shared with her later: the crumb and coloring were exquisite, and the

cognac added just the right touch. Her storytelling about the coin and its symbolism enriched the experience for everyone at the Metropolis Office with whom I shared her Vasilopita. These moments remind us that our parish is a tapestry of traditions, woven together in Christ's love.

To my surprise, late Monday night Presbytera Marinda served me a slice of Anna's cake—and in my piece, I discovered the coin! It is beautiful, and I share photos with joy. Having received this blessing, I am reminded that God is calling me to share my gifts with others, and I look forward to the opportunities ahead in 2026 to do so with each of you as my faithful co-workers in Christ.

## **About the Charities We Support with the Proceeds of our Vasilopita Fundraiser**

## **Bloom Our Youth (Fayetteville, GA)**

Bloom is a nationally recognized foster care agency serving children and families across Georgia. Its mission is to empower communities to transform the lives of children affected by foster care through programs like foster parent training, The Bloom Closet (providing free clothing and essentials), and medical foster care support. Bloom serves over 1,500 foster children annually, with nearly 85% of funds directed to programs.

## **St. Basil's Academy (Garrison, NY)**

Founded in 1944, St. Basil's Academy provides a safe, loving environment for children and young adults from broken homes or families in crisis. Located on a 150-acre campus overlooking the Hudson River, the

Academy offers full-time care, education, and spiritual guidance, preparing youth to become productive members of society and faithful Orthodox Christians.

### **Paradise4Kids (Sierra Leone, Africa)**

Paradise4Kids is a volunteer-run nonprofit serving children and families in extreme poverty. In Sierra Leone, under the leadership of Bishop Thembi, P4K has built schools, clinics, orphanages, and feeding halls since 2008. Over 95% of donations go directly to projects, providing food, clean water, education, and medical care to those most in need.

### **As St. Basil teaches:**

*"Let the poor man be the recipient of your humility, the needy man of your mercy; do not turn away from those who beg of you, for it is Christ who asks."*

May his words inspire us to continue serving others with love and generosity throughout the year.

We extend our heartfelt gratitude to our Philoptochos members, donors, and volunteers for making this evening truly unforgettable. We especially commend our Co-Chairs, Presbytera Marinda and Angelique Soulakos, along with everyone who contributed their time and talents. A special thank you to All Saints Anglican Church for graciously sharing their beautiful facilities with us.

### **Parish Council Expectation Guidelines**

As Parish Council members, each of us will express and model our mission of sharing the

1. Body and Blood of our Lord, Jesus Christ in all of our ministries.
2. Individually and as a group, we will evaluate our activities as well as the activities of our community to ensure they bring our faithful closer to God and to show the love of our Lord, Jesus Christ. This is a primary goal of all of St. Christopher's ministries and any activities or projects conducted as a part of these ministries.
3. We as a parish council commit to meeting once every month.

4. Every Parish Council member agrees to participate as fully as possible in the life of God's Holy Church.
5. We strive to set and meet goals based on predetermined benchmarks.
6. We agree to start and end meetings at specified times, even if some participants are delayed. We also agree that the meeting will not stop to catch up those who are late in joining the meeting, unless there is a compelling reason to do so. This determination will be at the discretion of the Parish Council President (or meeting chair).
7. We commit to use our talents and to welcome and encourage others to assist and grow God's Holy Church and the community.
8. We will strive to be responsible stewards of the treasure and talents of God's Holy Church as we minister in His behalf.
9. We recognize the value of a team-centered approach to ministry and shall undertake our teamwork as a celebration of the Lord's fellowship in our midst. We are committed to mutual respect, to serve harmoniously and cooperatively, to continually grow and reevaluate our teamwork and fellowship.

10. We commit to mutual respect and to honor other's contributions and views by making space for everyone's input. This includes no side conversations, respectfully listening, keeping remarks on point, no interruptions, and only one person speaking at a time as recognized by the chair of the meeting.
11. To make the most efficient use of time, each member will request at least one week in advance from the Parish Council President any agenda items and/or invitations to guest participants.
12. Each member will commit to meet at scheduled meeting times and take responsibility for managing our own schedules as well as our responsibilities to the group. We will respect each other's time.
13. We will keep each other and the members of the General Parish Assembly well informed about our activities and decisions in a timely manner.
14. We will exercise discretion with confidential information and discussions within the Parish Council. Our goal is to seek consensus and not make decisions or commitments without authorization.
15. As Parish Council members, we each commit to encourage others to share in the Lord's work, and we will strive to empower others to contribute.

## SAINT CHRISTOPHER HELLENIC ORTHODOX CHURCH

---

Dear St. Christopher Parish Family,

What an extraordinary moment this is for our beloved parish! With heartfelt joy and deep gratitude, I am thrilled to share that our *Building Our Future* Capital Campaign has now surpassed \$1 million in pledges and gifts toward our \$1.5 million goal. This is a tremendous accomplishment — one that reflects the faith, generosity, and unshakable spirit of the St. Christopher community.

Because of your commitment, we are no longer simply dreaming about our new church building — we are building it. The vision that has inspired us for so long is now taking shape before our eyes. Every pledge, every prayer, and every act of support has brought us to this turning point, and together we are stepping boldly into the future.

That future begins in a truly unforgettable way on February 22, when we will gather for our official groundbreaking ceremony. We are deeply honored that His Eminence Metropolitan Sevastianos will preside over this historic celebration. His presence elevates this moment for our entire parish and reminds us that what we are building is not just a structure, but a sacred home for worship, fellowship, and generations of faithful to come.

This will be a day of joy, of thanksgiving, and of shared pride — a day when we, as one parish family, place our shovels in the ground and begin the holy work of raising up a church that will stand as a beacon of faith and love.

As we celebrate this milestone, we also look ahead with determination. To reach our final goal and bring our new church fully to life, we invite every household to join us. If you have not yet made a pledge, now is a wonderful time to be part of this historic effort. If you have already pledged, thank you — your generosity is building our future. And if you are able to increase your commitment, your added support will help ensure that our new church rises strong and beautiful.

Most importantly, we ask for your continued prayers. This campaign is about more than construction — it is about creating a spiritual home where our children will be baptized, where families will gather, where we will worship, celebrate, and grow in Christ together.

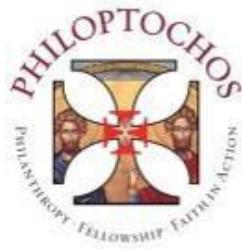

Thank you for your faith, your generosity, and your love for St. Christopher Parish. Together, we are not just building a church — we are making history.

With joy and gratitude,

Tom Farmakis

"May this New Year be a time of quiet, spiritual renewal. A year shaped by small, faithful steps: a little more prayer, kinder words, patient listening, generous giving, and love that is brave enough to act. Let us trust God's timing, to care for one another with deeper tenderness, and to recognize Christ in every person we are called to serve."

*-His Grace Bishop Athenagoras of Nazianzos,  
National Philoptochos Spiritual Advisor*

## Building Our Future: Join Our \$1.5M Capital Campaign

Dear Parish Family,

We are excited to announce the launch of our \$1.5 million Capital Campaign, a five-year endeavor to build our future home. This is an incredible opportunity for us to come together as a community and create a space that will serve and inspire for generations to come.

To make this vision a reality, we encourage everyone to fill out pledge cards now. Our lenders are looking for a strong show of commitment from the parish, and your early pledges are crucial to meeting their requirements. As we consider discussions with outside donors, our ability to demonstrate the Parish Family's commitment to the capital campaign is an integral part of the process and success to raise funds from outside our parish. During our last campaign, we raised an impressive average of \$264K per year, and with your continued support, we are confident we can do it again.

Your participation is vital. Please continue your existing commitment to the stewardship fund and start giving to the new capital campaign or consider increasing your existing building fund pledge amount. Together, we can turn our dreams into reality.

Let's build our future home with faith, dedication, and collective effort. Please consider completing the online pledge card today, [St Christopher Capital Campaign Pledge Card Link](#), so we can show the lenders our unwavering commitment and take the next steps toward our shared goal.
