PENTECOST
Holy Spirit

The Holy Spirit transforms us. Fire changes whatever it touches. Once something is burned, it cannot return to what it was. Just so, once we are sealed with the gift of the Holy Spirit through baptism and confirmation, we are forever changed. We cannot undo

baptism or confirmation. No matter how hard we may try to reject that gift of faith and grace, it is forever with us. Just as we write our names on the cover of a book we love, just so each of us has been marked by God as his special possession. So, we can go before God with confidence knowing that He will hear us. And if we find in our hearts something that must change, all we need to do is ask the Holy Spirit and there is no doubt we will be forever transformed by his fire.

The Holy Spirit purifies us. Just as we boil water to kill the bacteria in it, so the Holy Spirit's presence in our souls burns away all that is not of God. The fire of God's Spirit melts our sinful self away by giving us a love for God which makes anything that offends Him loathsome to us. This image of purifying fire also reminds us that our transformation involves some pain. We resist change and cling to our sinful habits. But as we surrender to the Holy Spirit's purifying power, we discover the peace, joy, and love that emerge once our sin is burned away.

Finally, the Holy Spirit sets us aflame with love for God. When we have an intense love for someone, we sometimes say we are "on fire" for that person. Or if we want something badly enough, we will say we have a "burning desire" for it. Just so, the Holy Spirit gives us a love of God that is intense and all consuming. It is the love which empowered Jesus to hand his life over for our salvation. It is the love that compelled the apostles to witness to the death and resurrection of Jesus. It is the love which today inspires people to leave their comfortable lives to serve the needy. If we are feeling dead inside, we need to give our hearts over to the presence and action of the Holy Spirit. We will find that our hearts are so engulfed with God and His love that there will not be enough hours in the day to proclaim His wonders and sing His praises.

The gift of the Holy Spirit which has forever marked us as God's sons and daughters empowers us to do just that. He is continually at work within us to transform us, purify us and set us on fire with love. It is ours for the asking. But watch out — there is no telling what wonders the Lord will work in our lives. —Douglas Sousa, S.T.L.
