### **Walking Toward Eternity: Daring to Walk the Walk**

This study is designed to help participants live their faith more fully. Through daily prayerful meditation and weekly videos, we will learn about seven key virtues and practical steps for living them out in daily life.

As you prayerfully reflect on God's Word, you will begin to hear the subtle ways God is speaking to you, and you will be challenged to set aside those things in your life that keep you from growing closer to him. By putting the fruits of your study into practice, you will be able to make real changes in your life, changes that will make you more like the person God created you to be.

Join us Mondays starting September 18, 2023, at 9-11 A.M. in the St. Scholastica room in St. Bernard Hall for this 8-week study.

## **Jail Ministers Needed! - August 24 Orientation**

Sacred Heart of Jesus has resumed their ministry to the Boulder County Jail and are actively looking for men and women to take Holy Communion on Sunday mornings to this often-neglected population. We would also like to start a women's study group at the jail. These are very practical and hands-on ways to live the corporal act of mercy to "visit the imprisoned." Ministering to the incarcerated has been a very deep, meaningful volunteer opportunity for many; it can have an especially powerful effect on your life as you reflect on the grace of God's forgiveness!

No prior experience necessary. If you are not mandated as a Eucharistic minister, we will train you! You just need to complete the Sheriff's office application, pass their background check, and attend their mandatory volunteer orientation Thursday, August 24.

For more information and an application, call 303-442-6158 or email [arvizug@shjboulder.org](mailto:arvizug@shjboulder.org)

## ETERNAL LIFE

### Bring All Your Thoughts to God

Although many good things have been written about contemplation and contemplative prayer, many people still have the impression that contemplative prayer is something very special, very "high," or very difficult, and really not for ordinary people with ordinary jobs and ordinary problems. This is unfortunate because the discipline of contemplative prayer is particularly valuable for those who have so much on their minds that they suffer from fragmentation. If it is true that all Christians are called to bring their thoughts into an ongoing conversation with their Lord, then contemplative prayer can be a discipline that is especially important for those who are deeply involved in the many affairs of the world. *Henry Nouwen*
