A Blessing Prayer for Your Priests

In your loving kindness, O good and gracious God, you sent your Son to be our shepherd and guide.

Father Jonathan and Father Timothy continue Christ's ministry of working in the vineyard by sustaining and guiding your holy people.

Bless Father Jonathan and Father Timothy. Let your Spirit uphold them always in their service to the people of this parish.

*We ask this through Christ our Lord.
Amen.*

Parish Registration

Why is it so important that we register in a parish?
Isn't it good enough that we go to Mass?

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

An extraordinary meeting

In 1948, Padre Pio heard the Confession of a young Polish priest, Father Karol Wojtyła, who thirty years later would ascend the throne of Peter, taking the name John Paul II. It was during John Paul's pontificate that Padre Pio was declared blessed. During the rite of beatification, the Pope said that in the humble friar, we see the image of Christ suffering and risen. "His body," he said, "marked by the 'stigmata,' showed the intimate connection between death and resurrection... Not less sorrowful, and humanly much more scorching, were the trials he had to suffer as a consequence, one could say, of his singular charisms." For Padre Pio, "suffering with Christ" was a gift: "In contemplating the Cross on Jesus' shoulders," he said, "I always feel strengthened and I exult with holy joy... All that Jesus suffered in His Passion, I too have suffered, insofar as it is possible for a human creature."
