Dedication of the Lateran Basilica

Did you know there are churches in Rome older than St. Peter's? St. John Lateran is one of four major basilicas in the Eternal City, and it is by far the oldest. The land was donated by an ancient Roman family to the Emperor Constantine, who in turn gave it to the Church. For hundreds of years, St. John Lateran was the "mother church." Popes lived on the grounds through the 14th century. The church itself suffered from pillaging by invaders, fires, and earthquakes. It has been restored and rebuilt five times since the 300s. On this feast, we remember more than a building. We celebrate the resiliency of our faith. Though trials may come in our parishes, personal lives, and the world, the Church endures through the grace of Jesus Christ.
