The Life of Padre Pio by Matthew Arnold:

This presentation includes fascinating details about St. Pio's ministry of hearing confessions, his ability to read souls, the multitude of miracles attributed to his intercession, and how he bore the stigmata, that is, the wounds of Christ. All are wise to learn from the advice of this holy man to "pray, hope, and don't worry."

Who are the Secular Franciscans? 800 years ago in Assisi, Italy, a man named Francis was called by Christ to go and "Rebuild My Church." The times were difficult; war and greed were rampant. Francis chose the Life of Christ (Gospels) as his guide and established an Order of Friars. Soon, lay people, single and married, began to follow him embracing his values of poverty, joy, simplicity, gratitude, and love of all God's creation. Today, lay people continue to do so today as Secular Franciscans. If you would like to learn more about Secular Franciscans, The **Companions of Francis and Clare Fraternity** cordially invites you to a gathering of their fraternity on September 24 or November 19 at **Our Lady of Perpetual Help Catholic Church in Salem** from 1:00–3:00pm. Come and see if this way of life might be for you. If interested, please email Marianne with a reply or questions at jersey1950@cox.net or just come – you are welcome!
