### 2025 Annual Diocesan Appeal:

*Sharing His Love with Others*

A message from Father Kevin:

Over the past couple of months, I hope you have gained an understanding of what it means to support the 2025 Annual Diocesan Appeal. Yes, our parish is a direct beneficiary, however, supporting the Appeal is also about supporting the Catholic Church beyond the parish. For example, did you know that the Appeal:

- ◆ Helps supply groceries as well as heating, rent and shelter assistance to children, families in need and the elderly across the Diocese.
- ◆ Expands opportunities for college students to deepen their commitment to the Catholic Church.

If you have not yet made a commitment, I hope you will join me in helping to not only meet but exceed this year's goal!

Please visit [richmondcatholicfoundation.org/appeal](https://richmondcatholicfoundation.org/appeal) to make a secure online donation or visit our Parish Office for a hard copy pledge card. *Thank you for partnering with us on this important ministry of our Catholic Church.*

RCS is seeking a dedicated and innovative **Computer Science and Robotics Teacher** for **grades 6-12**. The ideal candidate will have a passion for STEM education and the ability to engage students in a dynamic learning environment. This position includes

teaching AP Computer Science, introductory and advanced computer science courses, and robotics. The teacher will foster critical thinking, problem-solving, and creativity in students through hands-on projects and real-world applications. Strong candidates will have at least a Bachelor's degree in Computer Science, Robotics, Engineering, Education or a related field. Teaching certification or willingness to obtain certification is preferred. For more information, please go to:
