A Catholic education is one of the greatest gifts we can offer a child. Seventy-six children from the Basilica of St. Andrew Parish attend Roanoke Catholic School. These families sacrifice deeply because they believe in forming their children into faith, virtue, and academic excellence. But many cannot afford this gift without tuition assistance. One third of these students receive financial assistance from the

Educational Improvement Scholarship Tax Credits Program (EISTC).

Today, we want to share a way that *you* can directly help students and Roanoke Catholic School: When you make a gift through the EISTC program, you will receive 65% of your donation back as a Virginia state tax credit. And if you itemize, you may also claim the remaining amount as a state and federal tax deduction. This means you can make a gift that will change a student's life here in our parish with little impact on your bottom line.

The school disburses scholarships to low- and middle-income students, most of whom would not otherwise be able to afford a Catholic education.

For those who have appreciated stock, this can be an exceptionally beneficial way to give — not only do you receive the tax credit, but you also avoid the state and federal capital gains tax. With the stock market performing so well recently, this can be an excellent option to lower your tax bill this year.

There is time to donate before the end of the year and claim your 2025 tax credit. Your generosity truly changes the lives of our students and families. *Thank you for your prayerful consideration.*
