A Note from The Teacher

Thank you for helping your child log into Google Classroom and join our classes! Hopefully we won't need to use the main classroom this year, but it is there if we need it.

Please keep practicing multiplication facts nightly with your child. We have now begun practicing 4-5 times tables through 12 (5x12). We will have a quiz on 0-5 times tables on 9/29.

Your child should be logging into Vocabulary A-Z every night, completing a minimum of 8 activities per week. This is a grade so please make sure your child is doing this homework assignment. Let us know if you run into any issues.

The children are settling in well and are working hard! They are off to a great start. If you are able to send in equipment for recess-balls, jump ropes, etc. we would appreciate it!

Peace,

Mrs. Gable & Mrs. Pratt
