

Supply list for the 2022-2023 school year

Dear Parents,

To follow the guidelines set down by the CDC we will not be able to share materials in Art class for the near future. For this reason, we shall be returning to the Art Bag system. It is extremely important that your child bring his/her art materials to every class. Material bags will be stored in their classrooms, for use during core classes as needed. If you have any issues with getting materials for your child or children, please contact me at hessl.sfas@gmail.com and we will work it out. Thank you in advance.

Place all materials into a 2gallon Ziploc baggie labeled prominently with your child's name
