News From the Classroom

Welcome to the first weekly Detective Digest! Our school year is off to a great start in third grade. We have a wonderful group of students this year and we can't wait to watch them grow.

We look forward to welcoming parents back into the classroom Tuesday night starting at 6pm for our Back To School Information Night. Every 20 mins we will begin presenting, so if you have multiple children in the elementary wing you may attend multiple sessions.

We will start having multiplication quizzes to check fact fluency with our first one being on Sept. 14th. This will cover facts 0-4.
