THIS CATHOLIC LIFE

Summer time and the livin' is easy. At least according to the song! I hope you are, or will be, able to get away and enjoy some down time. It is also a good time to get in some reading. I consider myself a life-long learner, and I love to read. Lately I have been reading a lot of theology and scripture oriented stuff. But during the summer I like to lighten up a bit and read something fun. Right now I am reading "Via Negativa" by Daniel Hornsby. It's about a retired priest who goes from Muncie, Indiana to Seattle. The Muncie part got my attention. Along the way he picks up a coyote that was hit by a van. The good father takes the coyote under his care and nurses him back to health on his way out west. Hmmm, sounds like it could be a pilgrimage story.

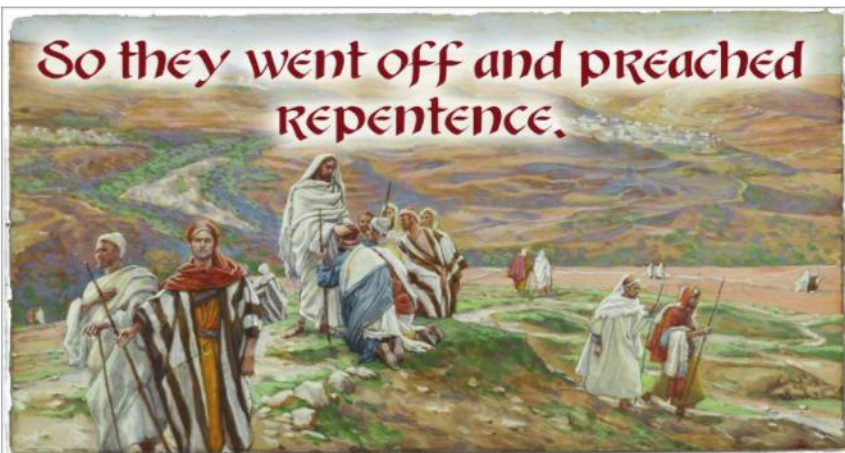

For guys who like to read I recommend "The Explorers Guild" by Kevin Costner and Jon Baird. It's a good old fashion adventure yarn, complete with pictures!

And, I just finished reading for the second time "The Name of the Rose" by Umberto Eco – a murder mystery (and much more!) set in a monastery in the 13th century. The second time around was just as interesting as the first, if not more so.

Next week I will share some of the more spiritual stuff I have read in the past. You might let me know what you have found interesting, enjoyable and/or profitable. You might see your recommendations in this space.

From this Sunday's Gospel reading...

We'll have an outside giveaway on Friday, the 16th from 10:00-?? in the parking lot behind the parish house. It will then open in the basement of the parish house on Monday, the 26th from 9:30-Noon and be open those hours on Mondays thereafter.

Clean clothing in good condition is being accepted. For now, please leave donations in front of the first garage door closest to the parish house. Starting on July 26th, clothing may be left at the Clothing Center during open hours on Mondays.

Thank you to Teresa Kelich for running the Center for many years! Thank you to Jane Lowes for taking over this ministry! God bless you both!

A PARENTING POINTER

Scripture tells us that prophets are often not recognized or valued in their own area. (Mark 6) So too it is with parents. Our kids don't always recognize that we ask them to do hard things for their own good. You may not always be appreciated, but don't give up.

STOP YOUR TAXES FROM PAYING FOR ABORTION

The Hyde Amendment and related laws have kept your tax dollars from paying for elective abortion. Over 2.4 MILLION Americans are alive today because of the amendment. Whether led by Democrats or Republicans, Congress and the White House have supported the amendment since it first became law in 1976. Once a long-time supporter of the amendment, President Biden is now committed to its repeal [1]. The chair of the House committee in charge of funding government programs broke with long-standing, bipartisan support. She announced that the amendment will NOT be included in the upcoming funding bill [2]. House Speaker Nancy Pelosi voiced support for this decision [3]. Without the Hyde Amendment and related policies, billions of taxpayer dollars could be used to pay for abortions in the U.S. and overseas. Getting rid of the amendment would likely lead to many more lives lost through abortion [4]. States' health benefits would likely be held hostage. States would be forced to either include elective abortion in Medicaid or be kicked out of the federal Medicaid program.

1. "Vice President Biden supports repealing the Hyde Amendment because health care is a right that should not be dependent on one's zip code or income. And, the public option will cover contraception and a woman's constitutional right under Roe v. Wade." <https://joebiden.com/womens-agenda/>.

4. M.J. New, "Addendum to Hyde @ 40."

The USCCB and Bishop Doherty would like to spread the word about this matter to the faithful, so as to inform people in light of our civic responsibilities as Catholics. **This is a link to sign a petition in support of the Hyde Amendment:** <https://www.notaxpayerabortion.com/>

**Stewardship Note**

Today's readings are about being chosen and sent. The prophet Amos was chosen by the Lord and sent to use his talents for the people of God. The Gospel recounts the story of the sending of the twelve disciples; and in the second reading, St. Paul reminds us that we, too, are chosen. For what have I been chosen? To whom have I been sent?
