

It is very important that your child continues to read during the summer vacation to reinforce previously learned skills. Reading aloud to an adult for at least 20 minutes a day is recommended. Attached you will find a list of suggested summer reading suggestions for second graders. This list is just a guide, your child may read books that are not listed as well. The important thing is to let them choose books they are interested in as this fosters a love of reading. Also attached, you will find a reading log on which your child should record the books he or she has read this summer. In addition to recording the books, your child should rate each book according to the key at the bottom of the log.

In addition, to logging the books read, students should complete two book projects. Students should create a book cover for their 2 favorite books read. Attached to the book cover, should be the book analysis completed according to the format I have assigned.

I hope you enjoy your summer!

## Suggested Summer Reading List

### Kid Voted Favorites:

Captain Underpants  
Diary of a Wimpy Kid (series)  
Junie B. Jones (series)  
Amelia Bedelia (series)  
Dork Diaries

The following is a record of the books  
I read this summer:

Name \_\_\_\_\_

Title	Author	My Rating

I verify that my child read the books listed above

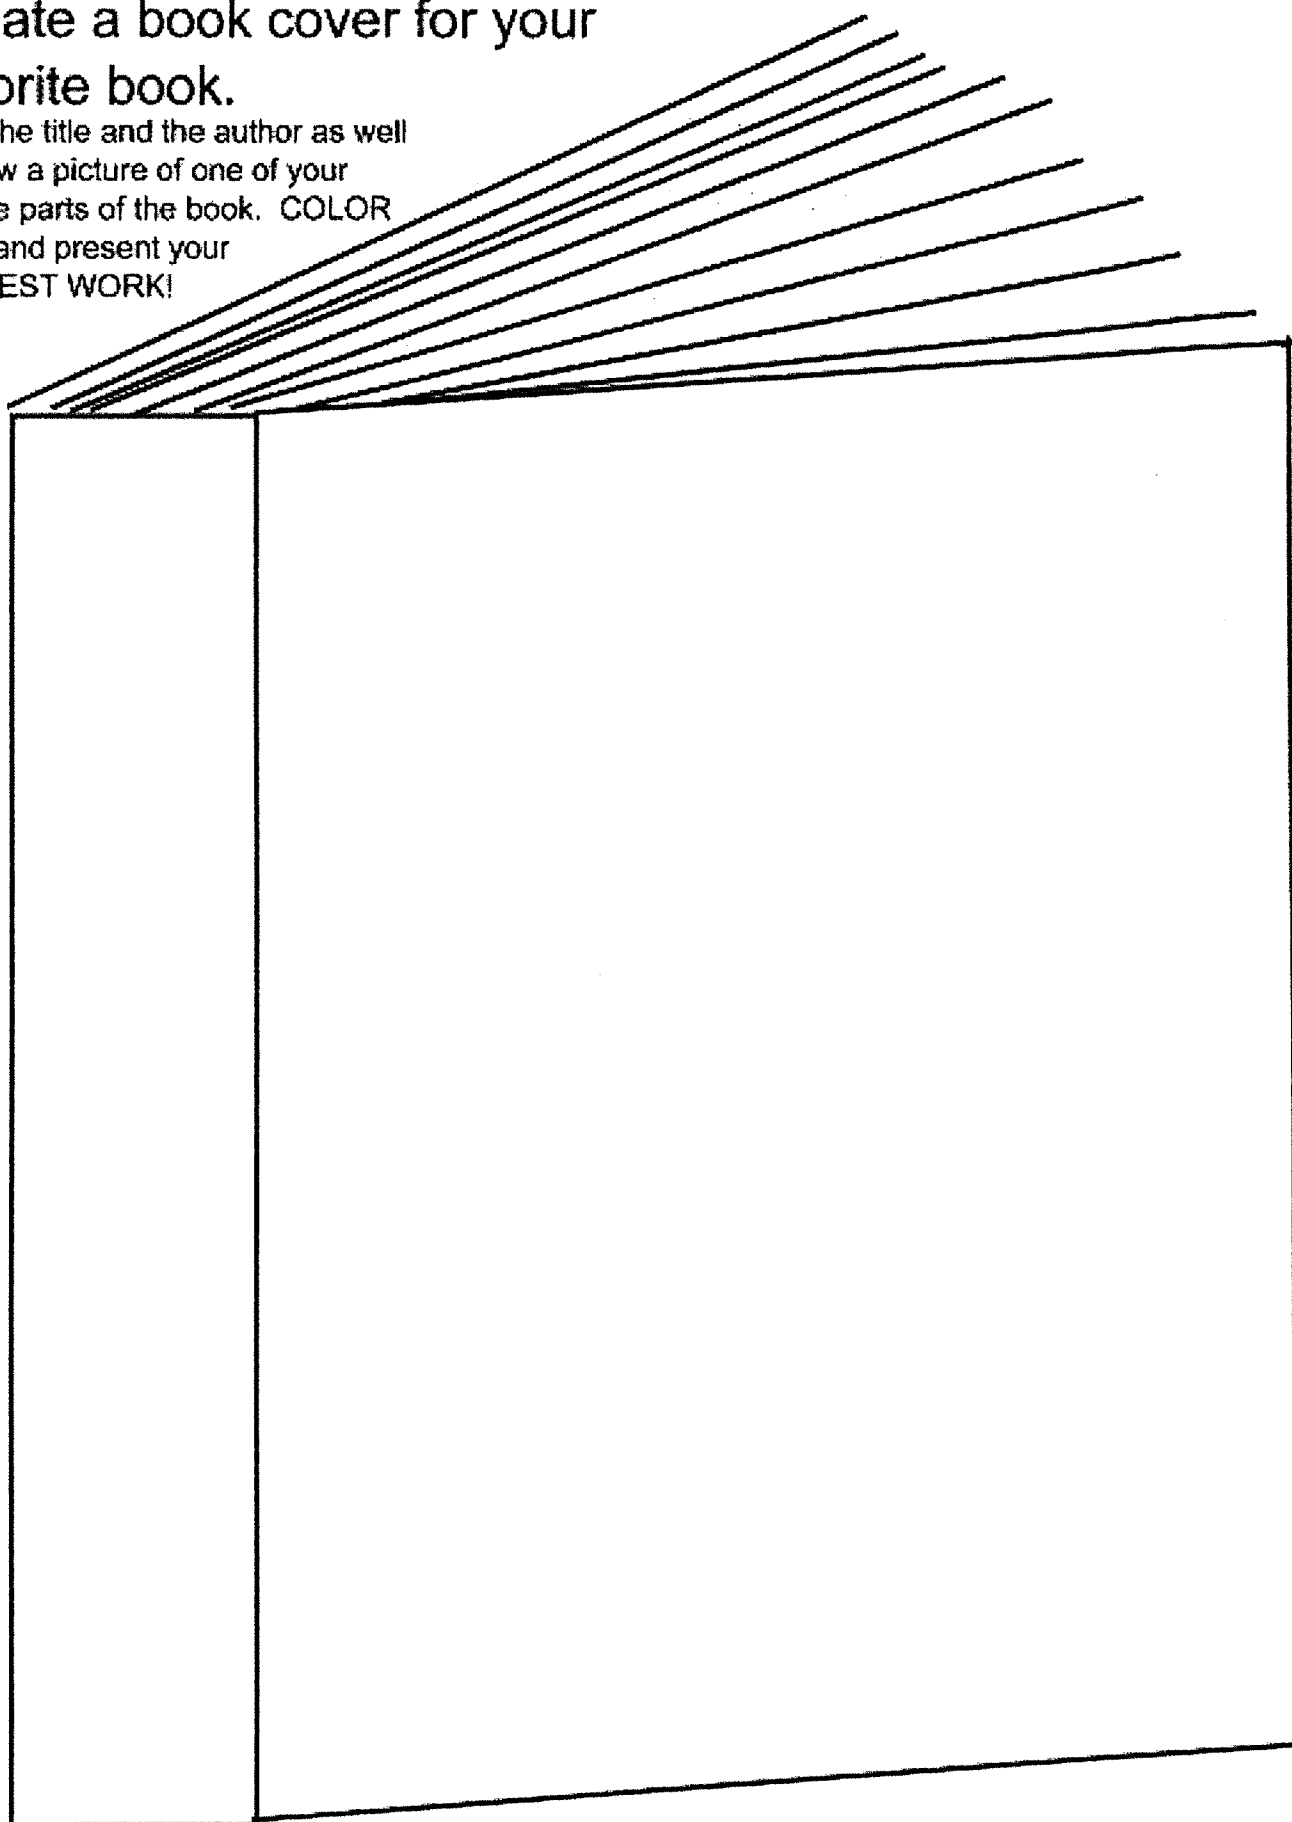

\_\_\_\_\_  
Signature of Parent

Draw your rating in the 3rd column  
Eh-it was   Liked   LOVED  
ok

# Create a book cover for your favorite book.

Write the title and the author as well as draw a picture of one of your favorite parts of the book. COLOR it and present your BEST WORK!

# My Summer Book Report

by \_\_\_\_\_

Title and author: \_\_\_\_\_

Number of pages \_\_\_\_\_

Who are the main characters? \_\_\_\_\_

What are some of the more important settings of the story?

Write a summary of what your story is about. A summary gives a general description of what the story is about. For example, the back covers of books usually have

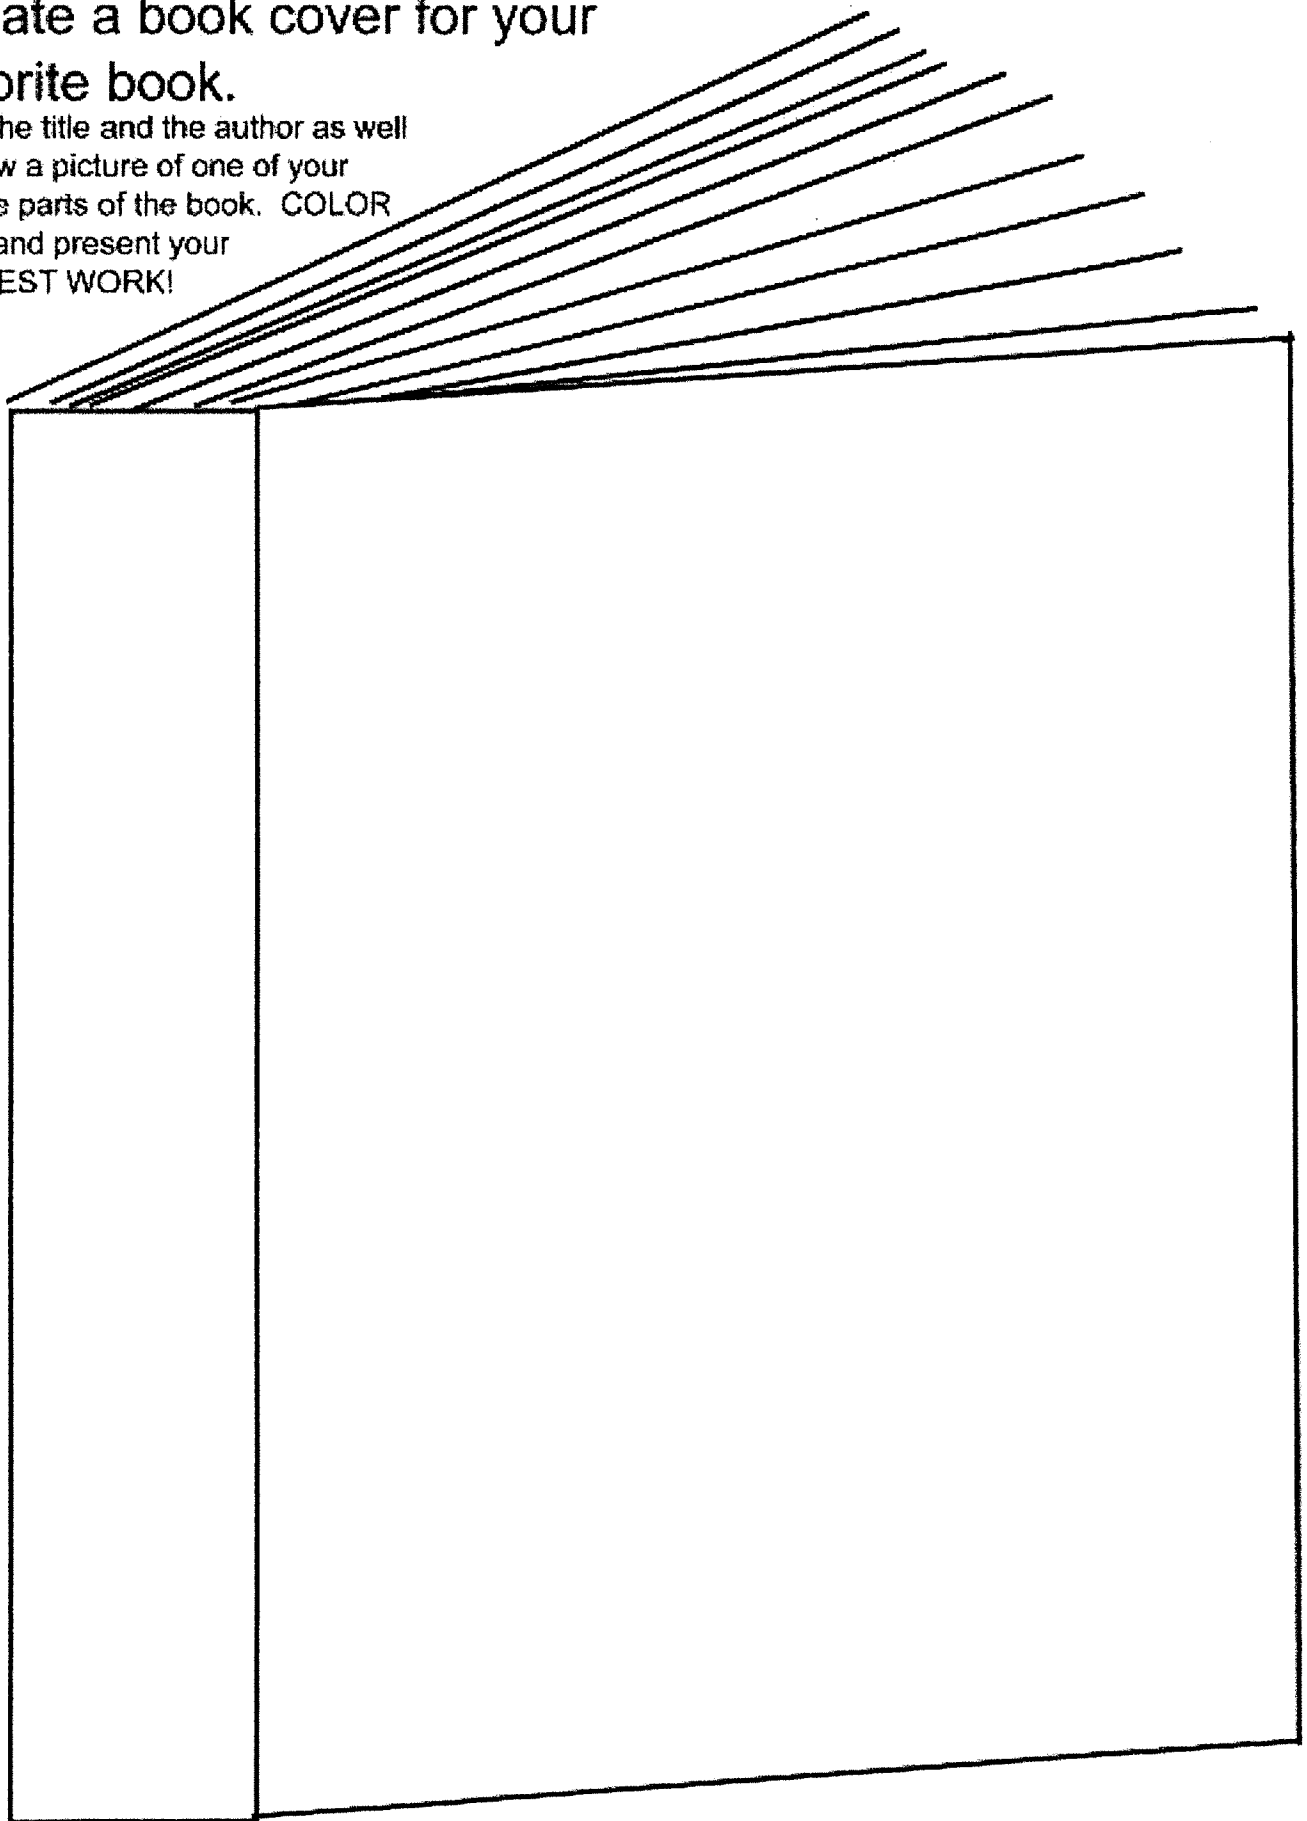

What was your favorite part of the book and why?

How many stars would you give this book on a scale of 0 to 5 stars?  
Color the number of stars you give the book.

# 2nd Grade Math – Summer 2023

## IXL Boost

IXL Boost is an online program that will last 4 weeks (however, it does not need to be completed in 4 consecutive weeks). To log-on, please refer to the IXL scan cards that were sent home with your child's report card.

## Reflex

In addition to IXL, we are implementing a new math program called Reflex. This will be a supplement math program to increase their math fluency. The scan cards and a parent letter with log-on instructions were also sent home with your child's report cards.

\*Any new students will need to call the office to obtain their username and passwords: (904) 724-2954
