

Volunteer at Christ the King

Why Do We Volunteer at CTK? For the kids, of course! Volunteers provide an invaluable service to the Christ the King Catholic Church and School. Generous support by volunteers enhances the development of a strong Catholic campus and is essential to the growth and vitality of the CTK community. Whatever your reason for volunteering, we are happy you are involved.

Did you know?

Children whose families are involved in their schools are more likely to:

- earn higher grades and score higher on tests;
- graduate from high school and college;
- develop self-confidence and motivation in the classroom; and
- have better social skills and classroom behavior.

When you join our community, you can choose between 20 hours of service or a \$400 non-service fee. We would much rather have your time and involvement than the \$400. Regardless of your choice, you are welcome and encouraged to volunteer with us! We try to make it easy by providing ways to volunteer that fit in with any schedule by coordinating the volunteer needs of the Church, clubs, classrooms, and the community.

GET CLEARED

You can open the door to more volunteer possibilities by getting yourself cleared to work with children. This is required for chaperoning, class parties, coaching, and other activities where parents supervise children. To do this, you need to take a Protecting God's Children class and get a background check. You can find more

information by using the QR Code. Volunteer opportunities descriptions always indicate if you need to be cleared to participate and Track it Forward will not allow you to sign up if you do not have the correct qualifications.
