    - Increase enrollment to 226 by September 2024.
    - Develop and implement the Enrollment and Marketing Plan.
  - Develop a cohesive spiritual plan for the faculty and staff
    - Mr. Garcia is creating a proposal for the faculty and staff.
  - Education goal- intentional teacher collaboration
    - Working in a dept. format, K-2, 3-5, 6-8
    - Giving teachers protected time to establish goals.
- SGO:
  - We have met our financial goal for the year but will continue to bring awareness to the importance of funds.
- Catholic Schools Week:
  - Open House on January 28<sup>th</sup> from 9am-1pm. Tours for prospective families will take place from 9-10:15am. New families, current families and parishioners can attend from 11:30am-1pm.
  - Encourage prospective and current families to attend the 10:30am mass.

**Diocesan School Board Inservice: Leslie Fuchs**

- The School Board Inservice was focused on the Diocesan Strategic Plan.
- We can reach out to the diocese if we would like their Strategic Plan data.

**Strategic Plan: Karen Bogol**

- Committees:
  - Technology- Surveys
    - Teacher and middle school surveys are completed.
    - The remaining student surveys and parent surveys will be completed next month. The next steps are finding a teacher liaison and building the protocol and policy.
  - Curriculum and School Improvement
    - ILEARN scores
    - Start creating a K-8 map
    - Teachers are working with Tools for Success to put the curriculum together based on Indiana Critical Standards.
    - Professional Learning Communities- dedicated time for the teachers to plan together
  - Catholic Identity

- ARC Assessment- 3 aspects to focus on:
  - All created in the image of God
    - Continue to establish traditions that grow each year
  - Disciples of Jesus
    - Focus on prayer
    - Genuine relationship with Christ
  - What are we made to do
    - Service to family, school, and community
    - Encourage students to find ways to organically do service to the family, school, and community.
- Security
  - Upgrading lighting and doors
  - Update the safety and security policy including digital safety.
  - Continuing to pursue grants for security improvements.
