### **Schedule Change for grades 3-8 only:**

We want to inform you of an important change to the schedule for Related Academics (Music, Art, Physical Education, and STREAM) for the 2025-2026 school year for grades 3-8 only.

- **Related Academics (RAs) will now be held for an entire quarter** rather than once a week.
- During the PE quarter, students will need to wear their **PE uniforms Monday through Thursday**.

- On **Fridays** or **Mass days**, students in grades 3-8 will have **Health class**. Intermediate students **must** wear their regular school uniform and Junior High students **must** wear Mass uniforms.

Since they'll be required to wear the PE uniform **four days a week**, we recommend checking that their PE uniform is appropriate for the quarter: shorts/sweatpants; short-sleeved shirts/sweatshirts, and that they have a clean one for each day. We appreciate your attention to this change and your support in ensuring that your child is prepared.

- 1st Quarter: 4th and 8th Grades
- 2nd Quarter: 6th Grade
- 3rd Quarter: 5th and 7th Grades
- 4th Quarter: 3rd Grade

### **Physical and Dental Forms**

All incoming Kindergarten students (including those coming from our preschool program) and all new students grades 1-8 must have physical and dental forms and immunizations turned in by **August 15<sup>th</sup>**. **Failure to do so will result in not receiving your student's homeroom assignment. Forms are attached below.**
