

# CONFIRMATION CLASS CALENDAR - Grade 9 & 10, 2023/2024 Schedule

Dear Families,

Below you will find the collective calendar for both grade 9 and 10. Class is held in the Parish Center (former school building) in the library room which is inside the lobby and to the left. These classes will run the traditional hour and a half. It is expected that the teens are picked up promptly at 2:00 pm.

The expectations are that the students will make every effort to complete the assignments during class and if need be, at home. It is worth noting that attendance is important. If a class will be missed, effort must be made to make that class up as soon as possible. One excused absence over the two years is permitted. More absences will require the completion of make up work which will be made available on a case-by-case basis. I would graciously appreciate the support of an extra parent or two at each class to help manage materials and be another set of eyes. I can set up a sign-up genius for those once we get up and running.
