Baptism

Today we celebrate the baptism of Our Lord. After Jesus had prayed and fasted in the desert for forty days He went to where Saint John the Baptist was baptizing people in the Jordan river. People were coming to Saint John, confessing their sins, and he was baptizing them with water, but One would come after him Who would baptize them with the Holy Spirit. He was talking about Jesus.

When Jesus came to him, Saint John did not want to Baptize Him - he said that Jesus should baptize him instead! But Jesus wanted Saint John to baptize Him so that He could be an example for all of us.

The Baptism that Saint John was giving was only a sign of people being sorry for their sins. The Baptism that Jesus gave us really takes away our sins. It makes us members of Jesus' Church and takes away both original sin and any actual sins we have done. We still have the effects of original sin, which are pain and death and a tendency to sin, but our souls are made perfectly clean when we are baptized. If we sin after our baptism we can be forgiven in the Sacrament of confession.

Today ask your parents about your baptism, and thank God for letting you become part of His family, the Church.
