Prayer for Protection from Storms

God our Father, Creator of the Universe and Lord over all creation, we humbly stand before you as your children in thanksgiving for your loving care and protection. We ask that you keep us safe from all hurricanes which may threaten us in the coming seasons. Protect us from all fear and anxiety of storms and give us an ardent trust and hope in Your love and mercy. You alone have the power to command the sea, the wind and the rain. You alone bring peace, calm, and safety. Father, we thank you in advance for you are our only Refuge. We ask this through Christ, Your Son, Who lives and reigns with you and the Holy Spirit, one God, forever and ever. Amen.

Mary, Queen of the Apostles, and Patroness of our Diocese, pray for us.

Are you called?

**Is the Lord asking you to share your faith
through educating our youth?**

**St. Anastasia is seeking volunteers to
support our youth faith formation
classes for this upcoming fall and spring.**

If you have any questions please contact our
Director of Evangelization and Discipleship,

Thank you for your ongoing generosity to St. Vincent de Paul's food pantry. Your donations of food have helped many individuals who are homeless as well as individuals and families who are struggling through a financial crisis to pay their rent.

In an effort to ease decision making about the types of food needed for the pantry, the following list of food items has been established.

Pop top cans of meat, vegetables, fruit, soups, beans,
beefaroni, ravioli, lasagna
Bottled water
Rice (1-2 pound bags)
Boxes of macaroni and cheese
Peanut butter
Crackers

Please no vitamins or medication

Your help is very much appreciated!

PROTECTING YOUR KIDS ONLINE 2.0

CONNECT

Set some ground rules.

Establish clear guidelines like what types of sites kids can visit, apps they can download, and when they can have access to electronics. Consider "blackout" periods that require disconnection.

Research before you buy.

It's important to learn about a device's capabilities before you buy. Will it allow unknown people to communicate with my child? Will this allow children to make unchecked purchases?

Go beyond safeguards.

Installing monitoring software doesn't guarantee your child will be safe online. Time, attention and active conversation are the best tools to protect them.

REPORT!

If your kids are dealing with cyberbullies or potential online enticement, report it to the website, cell phone provider, law enforcement or [CyberTipline.org](https://www.cybertipline.org)

LEARN

Know the platforms.

Online enticement happens across all platforms, so be aware of the sites, games and apps your children frequent. Ask them to show you how they use them.

Be proactive.

Teach your kids to spot common tricks used by online offenders. In NCMEC CyberTipline reports, the most common tactics used to entice a child online were:

- Engaging the child in sexual conversation/roleplay as a grooming method.
- Directly asking the child for sexually explicit images of themselves, or offering to mutually exchange images.
- Developing a rapport with the child through compliments and other supportive behaviors such as "liking" their online posts.
- Sending unprompted sexually explicit images of themselves.
- Pretending to be younger.
- Offering incentives for explicit content.

Spot the Red Flags.

A child who is experiencing online enticement may be:

- Spending increasing time online.
- Getting upset when he or she is not allowed on their device.
- Taking extra steps to conceal what they are doing online.
- Receiving gifts from people you don't know.

ENGAGE

Talk about it!

Your kids might not tell you everything, but ask anyway. Regular conversations about safety can go a long way in increasing trust and communication.

Get involved.

Challenge them to a duel. If you have kids who like to play online games, ask if you can play, too. When you respect their interests, they're more likely to respect your rules.

Don't pull the plug.

Taking away internet access because they may have made mistakes online doesn't solve the problem. Talk to them about protecting themselves and respecting others online.

BOIS-SEIGNEUR-ISAAC

BELGIUM, 1405

In the Eucharistic Miracle at Bois-Seigneur-Isaac, the consecrated Host bled and stained the corporal.

On May 3, 1413, the Bishop of Cambrai, Peter d'Ailly, authorized the devotion of the holy relic of the miracle along with a solemn procession. The first procession took place in 1414.

On January 13th, 1424, Pope Martin V approved the building of the Monastery of Bois-Seigneur-Isaac. Today the monastery is the goal of pilgrimages. The corporal stained with blood is exposed to view in the chapel.

Walking on Water!

In today's Gospel reading Jesus did an amazing miracle- He walked across the sea! This was a sign that He was more powerful than nature.

Peter knew that he was supposed to follow in Our Lord's footsteps, so he asked Jesus to call him to come and walk on the water too. When Jesus called him, Peter got out of the boat and started walking on the water too! But soon he noticed how windy it was and got scared. As soon as he got distracted from Jesus, he started to sink, until Jesus took him and helped him up.

We are supposed to follow in Our Lord's footsteps too. When Jesus wants you to do something, He will give you the grace you need to do it, just like He gave Peter the power to walk on the water. If you lose sight of Jesus and only think about how hard it is, you won't be able to do what God asks, just like Peter when he started to sink. If you realize that you're having a hard time doing the right thing, it's time to turn back to Jesus!

Answer to puzzle on front: Jesus walking on the water. Answer to Flowers for Our Lady: Mary was assumed, body and soul, into Heaven!
