Prayer for Protection from Storms

God our Father, Creator of the Universe and Lord over all creation, we humbly stand before you as your children in thanksgiving for your loving care and protection. We ask that you keep us safe from all hurricanes which may threaten us in the coming seasons. Protect us from all fear and anxiety of storms and give us an ardent trust and hope in Your love and mercy. You alone have the power to command the sea, the wind and the rain. You alone bring peace, calm, and safety. Father, we thank you in advance for you are our only Refuge. We ask this through Christ, Your Son, Who lives and reigns with you and the Holy Spirit, one God, forever and ever. Amen.

Mary, Queen of the Apostles, and Patroness of our Diocese, pray for us.

Protecting your **KIDS** on social media

Online social media services aren't new, but many of us are still learning how to use them without getting into trouble – especially children and teens. Use these tips to help your kids safely use any social media service from networking to image posting sites.

Do you know...

What they're posting?

Check comments and images for personal information, like phone numbers and addresses, as well as inappropriate and illegal content such as hateful or threatening speech and nudity. Delete anything you think is too much information.

How they access social media?

Mobile devices, like cell phones and tablets, let children access social media apps away from adult supervision. Children may post content and even share their locations. Review app settings to help them keep information – like their location – private.

Who they're talking to?

Your child's online contact lists and followers may include people you don't know, or even people your child only knows online. Even if you don't know the contact, make sure you know what images, messages, and other content they're sharing.

What account settings they're using?

This is where you can control who has access to your child's information. Each social media service has a different setup, so take a look at each one your child uses. Always ask yourself – what is on the profile and who can see it?

Who has access to their information?

Most social media services have ads and applications from 3rd parties, like games and fan pages. If children click on these or add them to their profiles, they are allowing access to their personal information. Have a discussion about what's OK to add and what's not.

Where to report?

If anyone talks to your child about sex, shares or asks them to share sexual images, or is a victim of sexual exploitation, make a report to the National Center for Missing & Exploited Children® at www.CyberTipline.com or 1-800-THE-LOST®.

Eucharistic Miracle of **LUDBREG**

CROATIA, 1411

During Mass at Ludbreg in 1411, a priest doubted whether the Body and Blood of Christ were really present in the Eucharistic species. Immediately after being consecrated, the wine turned into Blood. Today the precious relic of the miraculous Blood still draws thousands of the faithful, and every year at the beginning of September the so-called “Sveta Nedilja - Holy Sunday” is celebrated for an entire week in honor of the Eucharistic miracle that occurred in 1411.

St Anastasia

Patron Saint of people suffering from poison, martyrs, weavers

Children's Story About the Life of St. Anastasia

Once, in the city of Rome, there was a young woman named Anastasia. She was born into a wealthy and influential family, and was well-educated and well-respected.

Despite her privileged upbringing, Anastasia was always kind and compassionate towards others, especially those who were less fortunate. She spent much of her time helping the poor and sick, and was known for her charitable works throughout the city.

One day, Anastasia heard about a man named Jesus who was said to be the Son of God. She was curious about this man and wanted to learn more about Him, so she began attending meetings where she could hear more about His teachings.

As she learned more about Jesus and His message of love and forgiveness, Anastasia began to feel a strong desire to follow him. She decided to become a Christian and dedicated her life to serving God and helping others.

As the years passed, the Roman emperor Diocletian began to persecute Christians, including Anastasia. Despite the dangers, Anastasia refused to renounce her faith in Jesus and was arrested and imprisoned for her beliefs.

Despite suffering torture and other forms of persecution, Anastasia remained strong in her faith and never wavered. She was eventually sentenced to death and was martyred in the year 304.

After her death, Anastasia became known as a patron saint of martyrs and a symbol of hope for those suffering for their faith. She is also revered as a protector against diseases, particularly those affecting the eyes.

Anastasia's story is one of faith, courage, and selflessness. She remains an inspiration to people all over the world, reminding us that with faith and determination, we can overcome any obstacle and live a life of purpose and meaning.

St. Anastasia's Feast day is December 25th, but at St. Anastasia we celebrate our beloved Saint in the Fall.
