FLORIDIANS SHOULD DECLINE TO SIGN PETITION FOR DANGEROUS PRO-ABORTION AMENDMENT

An extremely grave initiative is underway in Florida that seeks to erase pro-life protections by inserting language into the Florida Constitution banning regulation of abortion. Abortion activists are working to gather petition signatures to place a pro-abortion constitutional amendment, titled *Amendment to Limit Government Interference with Abortion*, on the November 2024 ballot. This amendment would allow abortion up until birth, including when the baby is capable of feeling pain, and would eliminate laws requiring parental consent and safety protocols for women.

Floridians should not sign the petition.

Please spread the word to your spheres of influence and continue to pray for the protection of the unborn.

Eucharistic Miracle of **LA ROCHELLE**

FRANCE, 1461

The Eucharistic Miracle of La Rochelle concerns the instantaneous cure of a boy paralyzed and mute since the age of seven when he received Communion at Mass on Easter Sunday, 1461.

He was completely healed of his paralysis and was, once again, able to speak. The most authoritative document that describes visually this miracle is the painted-manuscript preserved still today in the Cathedral of La Rochelle.
