FLORIDIANS SHOULD DECLINE TO SIGN PETITION FOR DANGEROUS PRO-ABORTION AMENDMENT

An extremely grave initiative is underway in Florida that seeks to erase pro-life protections by inserting language into the Florida Constitution banning regulation of abortion. Abortion activists are working to gather petition signatures to place a pro-abortion constitutional amendment, titled *Amendment to Limit Government Interference with Abortion*, on the November 2024 ballot. This amendment would allow abortion up until birth, including when the baby is capable of feeling pain, and would eliminate laws requiring parental consent and safety protocols for women.

Floridians should not sign the petition.

Please spread the word to your spheres of influence and continue to pray for the protection of the unborn.

Eucharistic Miracle of Les Ulmes

In the Eucharistic miracle of Les Ulmes, it was during the exposition of the Blessed Sacrament for public adoration, that, in place of the Host, there appeared the shape of a man with light-brown hair falling over his back, a luminous face, the hands crossed one over the other, and a white tunic covering the body. After close examination the Bishop authorized devotion to this Eucharistic Miracle. Even today in the church, the recess which contained the miraculous Host for more than 130 years can be seen. The Host was devoutly consumed by the Vicar of Puy Notre Dame during the French Revolution, for fear that this Blessed Sacrament would be profaned.

PROTECTING YOUR KIDS ONLINE 2.0

CONNECT

Set some ground rules.

Establish clear guidelines like what types of sites kids can visit, apps they can download, and when they can have access to electronics. Consider "blackout" periods that require disconnection.

Research before you buy.

It's important to learn about a device's capabilities before you buy. Will it allow unknown people to communicate with my child? Will this allow children to make unchecked purchases?

Go beyond safeguards.

Installing monitoring software doesn't guarantee your child will be safe online. Time, attention and active conversation are the best tools to protect them.

REPORT!

If your kids are dealing with cyberbullies or potential online enticement, report it to the website, cell phone provider, law enforcement or CyberTipline.org

LEARN

Know the platforms.

Online enticement happens across all platforms, so be aware of the sites, games and apps your children frequent. Ask them to show you how they use them.

Be proactive.

Teach your kids to spot common tricks used by online offenders. In NCMC CyberTipline reports, the most common tactics used to entice a child online were:

- Engaging the child in sexual conversation/roleplay as a grooming method.
- Directly asking the child for sexually explicit images of themselves, or offering to mutually exchange images.
- Developing a rapport with the child through compliments and other supportive behaviors such as "liking" their online posts.
- Sending unprompted sexually explicit images of themselves.
- Pretending to be younger.
- Offering incentives for explicit content.

Spot the Red Flags.

A child who is experiencing online enticement may be:

- Spending increasing time online.
- Getting upset when he or she is not allowed on their device.
- Taking extra steps to conceal what they are doing online.
- Receiving gifts from people you don't know.

ENGAGE

Talk about it!

Your kids might not tell you everything, but ask anyway. Regular conversations about safety can go a long way in increasing trust and communication.

Get involved.

Challenge them to a duel. If you have kids who like to play online games, ask if you can play, too. When you respect their interests, they're more likely to respect your rules.

Don't pull the plug.

Taking away internet access because they may have made mistakes online doesn't solve the problem. Talk to them about protecting themselves and respecting others online.

Samuel's Call Cross-Word

*See if you can find all the words in CAPITALS in the puzzle.
Use the left over letters to fill in the blanks at the end.*

SAMUEL was sleeping in the TEMPLE. He heard a voice calling him, so he RAN to ELI and said, "Here I am. You called me."

"I did not call you," Eli said. "Go BACK to sleep."

So he went back to sleep. Then the same thing happened again. The voice CALLED Samuel again, for the THIRD time. Getting up and going to Eli, he said, "HERE I am. You called me."

Then Eli

UNDERSTOOD that the Lord was calling the YOUTH. So he said to Samuel, "Go to SLEEP, and if you are called, REPLY, "SPEAK, Lord, for your SERVANT is listening." When Samuel went to sleep, the LORD came and REVEALED his presence, calling out as BEFORE, "Samuel, Samuel!" Samuel ANSWERED, "Speak, for your servant is LISTENING."

Samuel grew up, and the Lord was with him, not permitting any word of his to be without effect.

What's another way of saying this was Samuel's calling?

It was
