*Eucharistic Miracle of***MARSEILLE-EN-BEAUVAIS**

FRANCE, 1533

In 1533, some thieves stole a ciborium containing some consecrated Hosts from a church. The thieves then discarded the Hosts in a field. Unfortunately there was a strong snow storm; however, the following day the Hosts were recovered and miraculously were found to be in perfect condition. The numerous healings and the tremendous popular devotion that followed the miracle were not sufficient to protect the Hosts which were destroyed by some seeking to profane them.

**FLORIDIANS SHOULD DECLINE TO SIGN PETITION
FOR DANGEROUS PRO-ABORTION AMENDMENT**

An extremely grave initiative is underway in Florida that seeks to erase pro-life protections by inserting language into the Florida Constitution banning regulation of abortion. Abortion activists are working to gather petition signatures to place a pro-abortion constitutional amendment, titled *Amendment to Limit Government Interference with Abortion*, on the November 2024 ballot. This amendment would allow abortion up until birth, including when the baby is capable of feeling pain, and would eliminate laws requiring parental consent and safety protocols for women.

Floridians should not sign the petition.

Please spread the word to your spheres of influence and continue to pray for the protection of the unborn.
