Providing General Care and a Welcoming Environment for Eucharistic Celebrations

Our mission is to offer general care to our worship space and nurture an environment where everyone feels welcome to attend our Eucharistic celebrations.

Roles and Responsibilities: Ushers Play an Important Part

Ushers play a critical role in ensuring the smooth running of the Mass. They assist with seating, collect the community's gifts, distribute music programs, and bulletins. They provide additional support, as requested by the Pastor and Parish staff.

Requirements: Arrive Early and Be Prepared

We request that you arrive at least 15 minutes prior to the start of Mass to prepare for your duties. We are currently seeking ushers for all weekend Masses, so please prayerfully consider donating your time during Mass as an usher.

February 10, 2024

Dear Sisters and Brothers in Christ:

Next weekend, February 17/18, a collection will be taken up in the parishes of the Diocese of Palm Beach to support our local priests who are living in retirement, many of whom continue to serve the Church in various ministries. Funds received from this special collection help support the priests who have faithfully served our Diocese for decades and remain valued members of the presbyterate.

Your loving support of our retired priests, through your prayers and generous financial assistance, is appreciated. Thank you for your kindness to our retired priests, who graciously give of themselves in service to the people of God.

May God continue to bless you with every grace and strength and may our Blessed Mother always intercede for you.

With gratitude for your continued generosity and every prayerful wish, I am

Sincerely yours in Christ,

Most Reverend Gerald M. Barbarito
Bishop of Palm Beach

*Eucharistic Miracle of***PRESSAC**

FRANCE, 1643

In the Eucharistic Miracle of Pressac, a chalice in which a consecrated Host had been placed was completely fused after a fire in the parish church. The only thing remaining of the chalice was the foot of the chalice on which had formed a tin bubble under which the Host was found completely intact. The Miraculous Host was consumed the day after, but there are many documents which testify to this miracle still in existence today. Among these documents are the windows of the church of Pressac which depict the different phases of the miracle.

www.reallygreatsite.com**FLORIDIANS SHOULD DECLINE TO SIGN PETITION FOR DANGEROUS PRO-ABORTION AMENDMENT**

An extremely grave initiative is underway in Florida that seeks to erase pro-life protections by inserting language into the Florida Constitution banning regulation of abortion. Abortion activists are working to gather petition signatures to place a pro-abortion constitutional amendment, titled *Amendment to Limit Government Interference with Abortion*, on the November 2024 ballot. This amendment would allow abortion up until birth, including when the baby is capable of feeling pain, and would eliminate laws requiring parental consent and safety protocols for women.

Floridians should not sign the petition.

Please spread the word to your spheres of influence and continue to pray for the protection of the unborn.
