Eucharistic Miracle of **AUGSBURG**

GERMANY, 1194

The Eucharistic Miracle of Augsburg, is known locally as *Wunderbarlichen Gutes* – “The Miraculous Good”. It is described in numerous books and historical documents that can be consulted in the civic state library of Augsburg. A stolen Host was transformed into bleeding flesh. In the course of the centuries, several analyses were completed of the Holy Piece that have always confirmed that human flesh and blood are present. Today the Convent of the Heileg Kreuz (Holy Cross) is taken care of by the Dominican Fathers.

Second Collections

The second collection this week, February 25, 2024 is for Theatre Ministry. The second collection next week, March 3, 2024 is for Serving Beyond our Walls.

FLORIDIANS SHOULD DECLINE TO SIGN PETITION FOR DANGEROUS PRO-ABORTION AMENDMENT

An extremely grave initiative is underway in Florida that seeks to erase pro-life protections by inserting language into the Florida Constitution banning regulation of abortion. Abortion activists are working to gather petition signatures to place a pro-abortion constitutional amendment, titled *Amendment to Limit Government Interference with Abortion*, on the November 2024 ballot. This amendment would allow abortion up until birth, including when the baby is capable of feeling pain, and would eliminate laws requiring parental consent and safety protocols for women.

Floridians should not sign the petition.

Please spread the word to your spheres of influence and continue to pray for the protection of the unborn.
