March 1, 2024

Dear Sisters and Brothers in Christ:

Next weekend, March 9/10, the Diocese of Palm Beach will take up its annual collection for the education of seminarians and formation of priests, which is an essential need in our Church today. The funds raised in this collection are used to defray the cost of tuition, housing, education and pastoral training of our seminarians.

Currently, there are eight seminarians from our Diocese who are dedicating themselves to this important process of understanding their vocation.

Because of your support, our seminarians can journey in faith without being financially burdened. They can devote themselves fully to the task of priestly formation, thus ensuring that the sacraments will be available to our faithful for many years to come.

St. Paul said, "I am confident of this, that the one who began a good work in you will continue to complete it until the day of Christ Jesus" (Phil 1:6). May the good work forming our seminarians, along with your prayers, pay abundant dividends with an increase in vocations.

With gratitude for your continued generosity and every prayerful wish, I am

Sincerely yours in Christ,

Most Reverend Gerald M. Barbarito
Bishop of Palm Beach

Eucharistic Miracle of BENNINGEN

GERMANY, 1216

In 1216, the village of Benningen was the location of a Eucharistic miracle in which the Host bled. A few years later in 1221, the citizens of Benningen began the construction of a chapel in honor of this miracle which is known as *Riedkapelle zum Hochwürdigen Gut*.

From 1674 to 1718 the Riedkapelle was rebuilt and enlarged to accommodate the large number of pilgrims. Each year, during the Feast of Corpus Domini (Corpus Christi), the parish of Benningen makes a procession to the Riedkapelle, to celebrate the commemoration of the miracle.

FLORIDIANS SHOULD DECLINE TO SIGN PETITION FOR DANGEROUS PRO-ABORTION AMENDMENT

An extremely grave initiative is underway in Florida that seeks to erase pro-life protections by inserting language into the Florida Constitution banning regulation of abortion. Abortion activists are working to gather petition signatures to place a pro-abortion constitutional amendment, titled *Amendment to Limit Government Interference with Abortion*, on the November 2024 ballot. This amendment would allow abortion up until birth, including when the baby is capable of feeling pain, and would eliminate laws requiring parental consent and safety protocols for women.

Floridians should not sign the petition.

Please spread the word to your spheres of influence and continue to pray for the protection of the unborn.
