St. Anastasia is on a journey to know, love, and serve Christ in our parish community. Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place for others to grow together in faith.

The very first step in this process involves assessing our greatest strengths and opportunities, and that is where the Disciple Maker Index (DMI) comes in! The DMI is an important survey tool that invites you to reflect on your discipleship journey here at St. Anastasia. The Disciple Maker Index is designed to:

- Invite parishioners to reflect on their journey of discipleship.
- Enable parish leadership to make data-driven decisions.
- Help parishioners grow in their faith.

The 10–15-minute survey can be accessed through an online link from October 15th–November 24th and will ask you to reflect on your own spiritual growth and enable you to provide your perspective on our parish's efforts to help you grow in relationship with Christ. All responses will be confidential, and the parish will only receive information about the community as a whole. We will share the link with you a bit closer to the launch of the survey. Paper surveys will also be available for those who do not have the ability to complete the survey online.

Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place for others to grow together in faith.

Thank you for helping with this important project and please continue to pray for this intention and for the growth and protection of our parish.

Catholic Diocese
of Konongo-Mampong

Mission Appeal for the Diocese of Konongo-Mampong, Ghana September 26/27, 2026

Rev. Fr. Paul Attah-Nsiah is a priest of the Diocese of Konongo-Mampong in Ghana and currently serves at Nativity Catholic Church in Hollywood, Florida, in the Archdiocese of Miami. He is one of approximately thirty-two priests from the Diocese of Konongo-Mampong presently serving in the United States.

Fr. Paul was ordained to the priesthood on July 16, 1994. Since then, he has served the Church in various capacities, including as Vicar General, Judicial Vicar, Judge of an Ecclesiastical Tribunal, Co-Cathedral Administrator, seminary formator, chaplain, and parochial vicar.

The Diocese of Konongo-Mampong was established in 1995 and is located in a largely rural area of Ghana. Many of its faithful are subsistence farmers whose incomes are limited and often unstable. Despite its limited financial resources, the diocese carries significant pastoral and developmental responsibilities, including supporting Catholic schools and health-care facilities, developing parishes, providing clean water, promoting catechesis and evangelization, and caring for the spiritual and material needs of its people.

Yet amid these challenges, the Diocese of Konongo-Mampong is richly blessed with vocations to the priesthood and religious life. At present, the diocese has fifty-one seminarians in minor and major seminaries. Because of limited financial resources, however, not every young man who feels called to the priesthood can immediately be accepted or supported throughout his years of formation. The diocese spends approximately \$1,000-\$1,500 per seminarian each year, making the formation of future priests a significant financial responsibility.

Fr. Paul's Mission Appeal will therefore focus especially on the formation of seminarians. A seminary is much more than a place of academic study. It is a place of prayer, discernment, growth, and formation where young men are prepared spiritually, intellectually, humanly, and pastorally for a lifetime of service to God and His people. The goal is to form future priests who are well informed, well formed, and deeply transformed in Christ. Supporting a seminarian is therefore an investment not simply in one young man, but in the future of the Church.

The Diocese of Konongo-Mampong is already giving back generously to the universal Church. Priests from the diocese now serve not only in Ghana but also in the **United States, Canada, Australia, Germany, Austria, and other countries**, bringing the Gospel and serving God's people far beyond the boundaries of their home diocese. The nations that once sent missionaries to evangelize Africa are now also receiving missionaries from Africa. The Church's mission has come full circle: **those who once received are now also giving.**

Your prayers and generous support will help young men respond faithfully to God's call, receive the formation they need, and become the **priests, pastors, and missionaries of tomorrow.**

Every gift, large or small, can help a vocation become a mission.

Thank you for your prayerful and generous support of the Mission Appeal for the Diocese of Konongo-Mampong. May God bless you abundantly for helping to prepare laborers for His harvest.

**DIOCESE of

God our Father, Creator of the Universe
and Lord over all creation, we humbly
stand before you as your children in
thanksgiving for your loving care and
protection. We ask that you keep us safe
from all hurricanes and illness which may
threaten us in the coming seasons. Protect
